Chairman's Message

Let Your Selection, Make Your Success

As I write this, we are all waiting for an Indian Summer, but let's be real, an awful lot of us are still waiting for a Summer.

Autumn sales are now completed, and we have a new breed record of £37,000 set at the Hawes sale at the end of September. There has been demand again for top bloodlines with several joint purchases. I hope they all go on to do well for the new owners.

Jim German

This was all preceded by a very busy season of NSA events, progeny shows and many local shows. A little manic at times and several thousand miles racked up by Helen with the display stand. Our network of motorways make it easier to get to events and BFL meetings etc, but roadworks, accidents and peak time travellers inevitably can make journeys long and tiring.

Some members will have made their first purchase, but for the majority selling and buying is in their blood, with the next generation keen to contribute in all aspects of the sheep cycle. Whether it's traditional or crossing type, it's important to continually improve through careful selection at purchase and also at mating. I wish I had a pound for every time I've heard the phrase "this is the one". It's up to you to be aware of mouths and general conformation. Association inspectors at the sales see sheep with faults, sometimes there are a few disputed decisions, but on the whole are a necessary process to help the purchaser, and maintain that quality sheep are presented for sale and this point is reiterated by the auction marts too. Congratulations to everyone at sales and shows, whether you are a prize winner or not, there is a very high level of stockmanship from local shows to the big ones, and these are the showcase for your animals and hopefully prospective buyers. Some sales have increased in number and some have dropped a little, larger ones draw lots of buyers and attract good prices for quality sheep.

Any member can be involved in the Association, so come along to your area meetings in November and May, as it's your opportunity to put forward suggestions, recommendations and ideas. Bring a fellow member or friend along with you and who knows your journey may start as mine did in 1972 with the purchase of a gimmer lamb. Now, many people met and regional meetings attended my time as a member is at a peak.

It is a great honour to be elected National Chairman and I will do my best for the breed and the membership. This past two years we have seen numbers grow with over one hundred new members signing up, so hopefully I will get to meet some of you on my travels. My term of office started at the end of June, so progeny shows and the Great Yorkshire were my first outings. All have been well attended with allocations quickly filled especially at the Royal Highland and the Royal Welsh.

Currently it is mid October and the UK is in negotiations over Brexit, and it will be some time before we have any details on policy or payments in agriculture. The media is obsessed with trying to be one step ahead of any negotiations or announcements thriving on negative views.

On behalf of myself and the membership I sincerely thank Helen and Rachael for running the office and doing the show stands etc so brilliantly. There is a good number of members who give up time and go the extra mile helping, so thank you to those members. Whether it is a sale or a meeting, it is nice to chat to new faces as well as the old ones. Wishing you all a Merry Christmas. It's soon the new year with new challenges and hopefully a successful lambing time. All the best for 2018.

2018 Subscriptions / Member's Details

The annual subscription for the Association remains at £25.00. This is normally collected by standing order on the first working day of the new year, but if you have opted to pay your membership by cheque, please be aware reminders are not sent out. Southern Ireland members can pay their annual subscription fee by Euro cheque, unfortunately, paying by standing order is not an option for Southern Ireland members. Please be aware non paid up members are automatically excluded from our mailing list. If you would like to set up a standing order to make sure your payment is received on time, then please contact the office for an application form. If you move house and/or your contact details change, please notify the office as soon as you can, so that we can keep our database as up to date as possible.

Registration Forms

If you have not already returned your completed registration form to the office, then please do so by 31st December to make sure your pedigrees are in the flock book. If you have lost your original copy of your form and require another copy, then please contact the office. Members can also register lambs on line on the Grassroots database. To access the system, you will need your membership number (as a five digit number – using leading zeros where necessary), passcode and a valid e-mail address. If you have forgotten your passcode, please contact the office and we will be happy to send you a reminder.

Office News Page

I have an office news page on the website, and this page will be a place where I will post relevant information for members, regarding National and regional events. If you would like any regional events advertised on the office news page, or any photographs from local shows and events, please e-mail through the details to info@blueleicester.co.uk

NSA Events 2017

It has been an extremely busy year promoting the breed around the British Isles again this year, with thousands of miles on the clock, with

display stands at all the NSA events. NSA Wales was held in the heart of the Brecon Beacons on the wettest day imaginable, followed by a visit to the Highlands of Scotland with the weather on it's best behaviour for a change. This was followed by North Sheep, NSA Sheep South West and the final NSA event of the year was the NSA Northern Ireland event held at Ballymena Mart on the 3rd July. I would like to extend my sincere thanks to everyone who has helped with these one day specialist events again this year, providing sheep for the stands and helping out with building of the stands. Your help is invaluable.

Shows 2017

The Association were in attendance with their display stands at The Balmoral Show, The Royal Highland Show, The Great Yorkshire Show and The Royal Welsh Show. All the shows provided excellent classes of Bluefaced Leicesters again this year. Many congratulations to all winners and champions, and to all exhibitors for turning out their sheep to such a high standard. Agri Expo was our final event of the year held at Borderway Mart, Carlisle, and thanks must go to all members who provided sheep for stands at these events this year. Thank you on behalf of the Association to all judges who took the time to attend these important shows and events in the Association's calendar.

Sales 2017

The female sales were held in January at Hawes and Carlisle. Champion and top price at Hawes was a gimmer shearling from the Booth family, Smearsett selling at £10,200. At the Carlisle sale, for the first time, the judging was split into crossing type and traditional. The champion in the crossing classes was a gimmer hogg from the Kirkby Redgate flock of W M Hutchinson & Sons, selling at 6500 gns. Top price in that section was for another gimmer hogg this time from the Skeughdale flock of George Shields. In the traditional classes, the champion was awarded to a gimmer shearling from Dewi Williams, Elian flock. The top price was 900 gns, and this was paid by Stuart Nelson, Medwyn for a homebred ewe from the Espley flock of Mick and Nicky Gray.

Arthur Yates Trophy Winner - Tudor Harris

The numbers forward at this year's ram sales were up at some centres, with others seeing a slight drop in numbers. Trade at some centres showed breed averages dipping slightly, while at other centres averages increased again on previous years. Top price for a crossing type shearing ram was from the Wight family, Midlock at Kelso selling for £12,000. Top price for crossing type ram lambs brought with it a new breed record again from the Wight family at Hawes selling for £37,000. Congratulations to the Wights on a new breed record. Top price for a traditional shearing ram this year was at Kelso from M Drummond, Cassington selling for £7,000. Top price traditional ram lamb was at the NSA Wales & Border ram sales from Mick & Nicky Gray selling for 9,500 gns.

Thank you on behalf of the Association to all our sponsors for their invaluable support at this year's sales. Also to the many judges who took the time to attend these important sales for the breed, and also to all Chief Stewards and Stewards for their time and help. I would like to thank all members who returned sale entry forms in good time for catalogue preparation again this year.

Replacement Tags

If you need to order replacement Bluefaced Leicester ear tags, this must be done through the Association office and not direct from the tag company. The following details are required: Bluefaced Leicester side of the tag details, UK flock number with individual number, and your CPH number. If it is a bought in animal and not your own breeding, we require proof of purchase - either by supply of the original tag you are replacing or an Auctioneer's invoice (this will be returned to you once the order is placed). If all this information can be supplied at the time of ordering, then it will allow us to improve the service. There is normally a five day turn around on replacement tag orders from the date of order. There is no charge for supply of replacement Bluefaced Leicester tags for 2018.

Grassroots Online Database

Members have free access to the online database system – Grassroots, and this can be found through a link on the website www.blueleicester.co.uk. Access is through a unique passcode individual to each member, and once you have gained access to the site you can 'manage' your flock on line. The following tasks can be done by members: lamb registrations, transfer sheep off your holding which have either been sold, or have died. The following tasks can not be done by members: animal details cannot be amended. Any additional stock purchased cannot be added to your flock. For any of these tasks to be done, you will need to contact the office with the details to be added/corrected, and we will make the changes for you. If you have forgotten your password, please contact the office and we will be happy to send you a reminder.

Export Register

If you would like to be included on the export register please contact the office with your flock number, prefix and a valid e-mail address and you

will be added. This is when enquiries come in from abroad from people looking to import Bluefaced Leicester genetics, and you will be notified of their request.

Performance Recording

There is an opportunity for members who Performance Record to claim back monies to assist with Performance Recording costs. If you are a Performance Recording Member, and wish to make a claim, please send a copy of your AHDB invoices for membership and scanning (invoice must show the number of Bluefaced Leicester lambs scanned). The 50% refund will be arranged for you from the Association office, and the monies available are on a 'first come first served' basis.

There is an opportunity for members who MV test their flock of Bluefaced Leicesters to claim back monies to help towards the cost of testing. If you wish to make a claim, please send a copy of your invoice from your vet clearly stating the number of Bluefaced Leicesters tested, and the £2 per sheep refund will be arranged for you from the Association office. The monies available are on a 'first come first served' basis.

Penrith Progeny Show

The rain poured and everyone got a proper drenching, but the spirits definitely weren't dampened at Penrith Show. There was a great show of sheep in all sections of the progeny classes, as well as the open classes, with a big crowd watching on, especially around the Mule classes. But then again, let's face it....what else was there going to be done at home?

In the traditional section, it was a great day out for Scott and Clare Thomason, whatever the weather was doing. Following on from their success at the Great Yorkshire, Nicky Robinson, the judge, ensured that their day was another one to remember, taking both the Champion and Reserve in the classes and then winning the Progeny championship too, then seeing the breed champion scooping the interbreed title too. The champion was a tup lamb by the H4 Auchry bought out of Builth Wells

two years ago, who also stood first in his class at Penrith, and was also the sire to the three tup lambs from the Piel View progeny winning team too. This smart lamb is out of one of the flock's best Myfyrian F9 ewes. His reserve was a three crop ewe by the same good getting Myfyrian tup, which won her class at the Great Yorkshire last year. Runners up in the progeny class came from the Espley flock, with three unshown gimmers by their Ashes F2 tup which they bought out of Carlisle for 8500 gns a few years back and has done exceptionally well within the flock, passing on its impressive conformation and style to the Espley sheep.

The crossing lines certainly generated a lot of interest in the pouring rain. The champion, sorted out by the judge James Herdman, was the powerful Highberries Highlander, last seen wowing the crowds at North

Sheep in June. He is a tup with some presence, by the C24 Hewgill and out of the full sister to Robin Booth's D15 Smearsett, by Z4 Hundith, which has been doing so well for them. Highlander, jointly owned with Martyn Archer, also took the progeny championship with three tup lambs. One of his Mules was part of Neil's pair which won the hotly contested Mule pairs too. The reserve champion in the open classes was a smart, stylish gimmer lamb from M/s Pedley, Yore House. This smart lamb is by H2 Drimsynie, who was also the sire to the second prize tup lambs in the progeny classes, and out of a ewe by B2 Duhonw which has done well for the Yore House flock. She is the full sister to the first prize gimmer shearing at the show, which also did well at shows last summer, winning the interbreed at Moorcock in North Yorkshire. The reserve progeny group went to the Stenton family with three gimmer lambs by the J37 Midlock, a son of the £23,000 Carry House bought out of Kelso as a tup lamb. He has done really well for the flock, putting a great stamp on his progeny and good clean whites in the Mules.

In the Mule section Paul Brown, Oak House was proudly lifting the championship in this fiercely contested section with a gimmer lamb out of a Swaledale ewe. This lamb was by a Highberries tup, going back again to the C24 Hewgill. The progeny section was won by Martyn Archer with three stunning lambs by the homebred J2 Carry House he shares with the Riddings flock, which was out of another ewe by the legendary Z4 Hundith, who seems to be behind all the best breeding within the breed these days. At about the same time its full brother, the J1 Carry House, which was champion at Hawes last year, was winning the progeny show over the water in Co. Antrim, proving that quality always shows through!

Co Antrim Progeny Show

Article and photos by Julie Loughery

Julie Loughery
Champion Progeny Group

A tremendous entry of top quality Bluefaced Leicester and Mule sheep were again presented at the Antrim Progeny Show. Ashley Caton, Otterburn Lodge had the job of judging the event this year, and found his overall champion from the Tremain flock of Graham & Julie Loughery with their first prize ewe lamb sired by J8 Kirkby Redgate purchased at Hawes last year. Reserve champion on the day was awarded to the first prize shearling ram from the Holmview flock of J Adams & Sons, and The Fields flock of Alastair Christie. A powerful ram, J1 Carry House was purchased from Martyn Archer last year at Hawes and was champion that day.

Moving on to the progeny show, Michelle Wright, Mullaghwee came out with the top award winning overall champion progeny group with three tremendous ram lambs sired by G4 Parkgatestone. Reserve progeny group was awarded to three gimmers from Graham & Julie Loughery, Tremain, sired by "Mr Grey" H1 Starbog.

In the Mule section, G4 Parkgatestone was again proving his worth to the Mullaghwee flock of Michelle Wright, siring the first prize gimmer which went on to secure the Mule championship. J Adams & Sons were awarded reserve champion Mule with their first prize ewe lamb sired by

Turriff Progeny Show

Article by Helen Carr-Smith and photos by Ron Stephen

Champion Progeny Group (Traditional)

The Bluefaced Leicester Sheep Breeders' Association held their annual Scottish Progeny Show this year within Turriff Show on Monday 31st July.

The classes were split again this year with sections for both traditional and crossing type. Judging the traditional section this year was Mr Gordon MacKenzie, Broomhill Farm, Muir of Ord. In the show classes Mr MacKenzie found his Overall Champion in an eye catching homebred shearling tup from M & C Drummond, Cassington. The tup is sired by

Auchry/H3 and out of an 11 crop ewe, and has been successfully shown this year achieving first in a good strong class at the Royal Highland Show and Interbreed Champion at Stranraer Show. Reserve Overall Champion was awarded to the female champion, a sharp gimmer from M Seed & Son, Auchry 4447/J34. She is sired by Myfyrian/H1 and she was on her first show outing this season. At the 2016 Turriff Show she was shown successfully as a lamb taking the overall breed title. Her half brother who was also the first prize ram lamb and part of the first prize group of three, and out of a homebred ewe by Craig Yr Orsedd/G2 was to be sold at

the Kelso ram sale. Reserve Male Champion was awarded to the first prize ram above one shear from the Rossiebank flock of Robert Neill, with a homebred ram 840/G11 sired by Mendick D14. The ram has bred exceptionally well within the flock. The Rossiebank flock also took the reserve female prize with their ewe above one shear.

In the traditional progeny section, the champion group was awarded to M Seed & Son, Auchry with their pair of lambs by the same sire (shown with sire). They were sired by Myfyrian/H1 who was bought out of Builth Wells as a lamb two years ago for £3600, and reserve group was awarded to a pair of shearing rams by the same sire from R Neill, Rossiebank.

In the crossing type section our Judge was Mrs Hazel McNee, Over Finlarg Farm, Tealing, Dundee. In the show classes the overall breed champion was awarded to the Male Champion a sharp shearling ram from M/s C R & E S Millican, Hassiewells. The ram is a Riddings bred ram 752/J22 who stood Overall Champion as a lamb at the Carlisle ram sale last October, and was bought by the family for £4000. He has been successfully shown at Echt Show earlier in this year achieving Overall Breed Champion. The Reserve Overall Champion was awarded to the Female Champion who was also first prize ewe lamb from M & C Milne & Sons, Speymouth. The Milne family also took the Reserve female title with their second prize ewe lamb. The Reserve Male was also awarded to M & C Milne & Sons, with their first prize ram lamb. He was sired by Kirkby Redgate 'Jackpot' and was sold at the Kelso ram sale this year.

In the Progeny Classes, Hazel awarded her champion group to the Milne Family, with their group of three ram lambs by the same sire - Kirkby Redgate 'Jackpot'. This was their first outing in the show ring this season, and all three lambs were to be offered for sale at Kelso ram sale this year. The reserve champion progeny group was awarded to James Nisbet, Nisbets flock with a pair of gimmers sired by the same sire. The gimmers are sired by Marriforth/G2 and out of a B4 Tanhouse Farm ewe and are ET sisters.

In the Mule section, the champion progeny group was also awarded to James Nisbet, with a group of three Mule ewe lambs (Blackface type) shown with their sire - Drimsynie/H10 who is a son of Midlock 'Knight Rider'.

Welsh Progeny Show

Article and photos by Helen Carr-Smith

The Wales and South West Progeny Show for the Bluefaced Leicester Sheep Breeders' Association was held within Welshpool Livestock Auction by kind permission of Welshpool Livestock Sales. Again this year, the members of the Welsh Region turned out a tremendous display of livestock for our judges to officiate over. For the Bluefaced Leicester classes, the judge was the well travelled Matthew Seed who came down from his home in Cuminestown, near Turriff in the Highlands of Scotland, and for the Mule section the judge was local Mule breeder Geraint Powell from Kerry at Newtown.

In the individual classes, Matthew awarded his Overall Champion to his female Champion, a sharp homebred shearling ewe 1070/J067 Cernyw 'Jini' from the performance recorded Cernyw flock of Elfyn Owen. She has an index of 202, and her sire is 1257/G5 Cassington 'Wildthing' and she is out a homebred ewe sired by 1070/C10 Cernyw. Reserve also came from the Cernyw flock with the Reserve Female Champion taking the honours which was the first prize aged ewe. She is another homebred ewe 1070/G057 Cernyw 'Gloria', sired by 4264/D003 Howlea, and out

of a homebred ewe sired by 1070/Y001 Cernyw. This year she had twins by the homebred 1070/G001 Cernyw 'Gladiator', and one of her ram lambs took the first prize in the performance recorded ram lamb class and he was heading for the NSA Ram Sale at Builth Wells.

Elfyn Owen also took the honours in the ewe lamb class with a home bred lamb 1070/K064. She has an index of 180 and is sired by 1257/G005 Cassington 'Wildthing', and out of a 1070/C15 Cernyw 'Muscle Man' ewe.

The Male Champion was awarded to a homebred shearling ram from T R Harris, Bonvilston. This eye catching ram 2906/J16 is sired by 3114/D2 Shrewbridge out of a ewe sired by the Broomhills 7/B4. He stood third in his class at the Royal Welsh Show 2017, and was Reserve Interbreed at the Vale of Glamorgan show this year. The Reserve Male Champion also came from the Bonvilston flock, with a homebred ram lamb 2906/K9 sired by 3935/G7 Piel View, and out of a homebred ewe sired by 3114/D2 Shrewbridge.

Champion Mule Progeny Group

Tudor Harris also won first prize in the aged ram class with 2963/H1 bred by R G & R A Jones & Son, Roblestone. He is sired by 1070/G16 Cernyw, and out of a ewe sired by 2906/C1 Bonvilston which was sold for 4000 gns as a four year old at the NSA Ram Sale at Builth Wells in 2013. This Robelston ram has been shown successfully in the past winning first prize when shown as a ram lamb in 2015 at the Royal Welsh Show. He returned to the Royal Welsh Show a year later to scoop the first prize in the shearling ram class, and this year stood second in the aged ram class at the Royal Welsh Show. He also sired the Overall Breed Champion in the traditional section at the Royal Highland Show in 2016.

In the progeny classes, Matthew awarded his Champion group to T R Harris with his group of three ram lambs shown with their sire – all the lambs are sired by the first prize aged ram 2963/H1 Roblestone and are out of 65/D1 Burndale sired ewes. The Reserve Champion progeny group was awarded to the three shearling ewes by the same sire from Elfyn Owen. The homebred shearling ewes 1070/J50, J45 and J47 are sired by 1070/G1 Cernyw 'Gladiator'.

With a small but select show of Mules forward, our judge Geraint Powell found his Champion in the first prize shearling ewe from the flock of Will Jones, Gwenthriw. This is the second year in a row that Will has taken the Mule championship at this show. The Reserve Champion was awarded to the first prize Mule ewe lamb (coloured type) from Myrfyn & Jayne Roberts, Myfyrian.

In the progeny section, the champion group was awarded to John Armstrong Lay's flock from Herefordshire with his group of three Mule ewe lambs (any other type) shown with their sire 907/G3 Tywyn.

In the young handlers section, the Overall Champion was awarded to Miss Lexi Lane, from Kerry, near Newtown.

News From Your Bluefaced Leicester Regions

North East

The season started with the Great Yorkshire Show. The black clouds overhead providing persistent rain, did not dampen the enthusiasm of the judge making his decisions, in the mixed classes of both traditional and crossing sheep. He made the Ward sisters of Glaisdale Overall Champion with a ewe, and S Thomason, Piel View flock from Walney Island Reserve Champion.

Hexham provided the first registered sale of the year, and a good ring of buyers were present and a sharp trade was obtained. The Champion shearling came from the T L Forster & Son, Lowes Fell at £1400, and the Reserve Champion and Champion ram lamb came from the Burndale flock which made £350.

Hawes ram sale, is always a long day, but no shortage of top prices made sure that it was thoroughly entertaining. Judges Neil Marston and Peter Lee had more than plenty of sheep pulled out to judge. The Riddings flock took the championship and sold for £5,500, and the Carry House flock took the reserve championship which later made £9,000. Riddings third place ram made £23,000, the Smearsett family made £24,000 with their fourth prize, and the Carry House flock's fifth place ram made £12,000.

Top price of the day and new breed record went to the Midlock flock at £37,000. Other notable prices were Harkerside - £24,000; Steel - £20,000 and the last in the ring Dunhow - £20,000 after 1 am! All these high prices and 30 sheep fewer brought forward than last year resulted in the average up on last year by £125. The shearling tup's average was up by £231 with a top of £3,000, and ewes were up to £1,500 which were up £110 on the year before.

The auction mart webpage full results are here:
http://www.hawesmart.co.uk/index_htm_files/28-09-17.pdf.

To note that Raymond Lund, the auctioneer, was asked what time we would be finishing this year and he said "12 midnight". When it didn't finish until after 1 am, the reason he gave was that "it was such a good trade that it took longer to sell them". So thank you to the auctioneers for doing such a good job at this [and the Hexham sale], and a thank you from all the vendors for those buyers and supporters who supported until the last sheep had exited the ring at 1.15 am.

There was a Bluefaced Leicester Inspector Training day, which was held to endeavour to make the inspectors' decisions more consistent in line with the council's new recommendations.

An associated event at Riddings Farm, Reeth was held on behalf of NEMSA which attracted a good attendance from all over the UK and was a very successful event.

North West

This time of year again, and as I write this report, I am reflecting on what has been a difficult wet year we all have had.

The show season for the North West kicked off with Penrith Agricultural Show with our progeny show being held there in July. Despite the very wet start to the day, all sections were very well supported, and a quality selection of sheep were put forward for the judges, James Herdman and Nicky Robinson.

The crossing type Leicester champion came from Neil Marston and Martyn Archer with their shared aged ram (Highberries Highlander). Reserve champion went to J C & E Pedley & Sons (Yore House) with a ewe lamb by H2 Drimsynie. The champion progeny group was also won by Neil Marston with three tup lambs sired by Highberries Highlander. The reserve champion crossing type went to James Stenton and family with three gimmer lambs by J37 Midlock.

The traditional champion and reserve came from Piel View, and the champion tup lamb also took the interbreed championship. The reserve champion was a three crop ewe. Traditional progeny group was also won by Pielview with three tup lambs sired by H4 Auchry, with the reserve group going to the Espley flock with three gimmer shearlings sired by F2 Ashes.

In the Mule section, the day's champion came from Paul Brown, Oak House with a gimmer lamb out of a Swaledale ewe, sired by a Highberries tup. The Mule progeny section was won by Martyn Archer with three gimmer lambs by J2 Carry House.

I would like to thank Helen and Rachael, all the stewards, judges and all the exhibitors for soldiering on throughout the day. Thanks must also go to Penrith Show committee for dealing with the day's weather conditions and letting the show go ahead.

Next came the sales. Penrith's sale champion was awarded to M/s Lord (Hewgill) with a shearling ram, and they also had top price of £9000. Carlisle sale crossing type champion came from Michael James and

family with a ram lamb, K4 Duhonw. Top price went to John and Mandy Smith-Jackson with K8 Shafthill. Traditional champion came from Frank Johnson with K1 Ashes, with the top price going to the Roberts family with K8 Myfyrian making £5200.

Early November the Association had the stand at the Agri-Expo. A busy day throughout, with quality sheep kindly provided for the stand by Jim German and Billy and Anne Little. This event seems to be growing each year and really is a great day to finish the season. Thanks going to Helen, Rachael, Susan, Billy and Anne for their continued work setting up and providing refreshments throughout the day.

Finally I would like to thank all the North West members, Helen and Rachael and my trusted secretary, Jim for all their help and support over the last year. Merry Christmas and all the best for 2018.

Scott Thomason - Chairman

Northern Ireland

As I sit and reflect on the past year with the Northern Ireland Bluefaced Leicester Region, and if I was asked to sum it up in one word, it would be successful.

The year started off with the show season and our Balmoral Show. Mr Michael James was the judge and awarded John Blaney & Sons champion with a gimmer hogg and G & J Loughery reserve with a gimmer hogg.

With the showing season well under way, July saw our progeny show which was held at Antrim Show. Judge Mr Ashley Caton awarded the champion of the show to a ewe lamb from G & J Loughery. Progeny champion went to Michelle Wright with her Parkgatestone ram and three ram lambs. William Adams won the Mule progeny with three Mule ewe lambs sired by his Carry House ram.

This was a great show of Mules and credit to Ashley for the difficult job. Young handlers were out in force and Rory O'Kane came away as champion young handler.

September saw our premier ram sale and this year we opted to have it for sheep eligible for export. This resulted in us having our best Bluefaced Leicester sale to date with averages well up on previous years. With ram lambs averaging £1071.61, shearling rams averaging £984.06 and females averaging £494.40. Michelle Wright was awarded champion of the show which later went onto sell for 2800 gns, and Dominic McCrystal broke sale records and sold to a top of 15,000 gns which was bought by Michelle Wright.

Armoys Sale was at the start of October with a more steady trade, and champion was awarded to Alastair Christie's ram lamb which sold for 1200 gns.

The start of November saw our social night and prize giving being held in Ballymena Rugby Club which proved a great success. Also we had the flock competition results which was judged on the days prior to the social evening by Mr James Bell, Cottage.

Jimmy's champion overall flock was awarded to the Holmview flock of William Adams, and I would like to thank all who entered the competition as a very high standard of sheep were presented for show. As you can see we have had a very successful year and hope the success continues well into the future.

As the dark nights are upon us, it just leaves me to wish everyone success in next year's lambing, and to thank Helen and Rachael from the Association office for all their help, as my job has been made easier knowing they are at the end of the phone. Also to my Vice Chairman Eoin Loughran, I would like to thank him for all his help and advice in the past year as this was greatly appreciated.

Hugh Henry - Chairman

Scotland

My season started with a trip up north to Highland Sheep on 31st May 2017 to Kinnahaird Farm, Strathpeffer, Ross-shire. Helen and I didn't have a particularly busy day on the stand. The sheep for the stand were supplied by Murial Ross from The Arr flock, and my thanks must go to Murial for helping organise the stand at this event.

The Royal Highland Show again attracted a large entry of sheep in both sections. Judging started at 9 am on the Friday morning with Mr Derek Hall judging the Crossing Type. Derek's champion male was a tup lamb from J Pirie, Blarnavaid flock, and reserve was an aged tup from J Pirie & A Campbell. Champion female was a ewe from M R Thornborrow, Dawyck flock, and a gimmer from the same home was reserve. This ewe went on to be overall champion and the tup lamb was reserve.

In the Traditional section judged by Mr Andrew Hewson, the champion was an aged tup from A McClymont, Kirkstead, and the reserve ticket went to the tup lamb from the same home. Female champion went to a gimmer from M Turner, Kildalloig, and the reserve to a ewe from M & N Gray, Elspey. Overall champion went to the aged tup from A McClymont, and reserve to the gimmer from M Turner. A McClymont's aged tup was reserve interbreed champion on the Saturday, and on the Sunday M R Thornborrow's ewe and J Pirie & A Campbell's aged tup were overall interbreed pairs champions. The Bluefaced Leicester breed had a tremendous Highland Show, and my congratulations to all the exhibitors.

The progeny show was at Turriff, and this was well attended by exhibitors. In the Traditional section, the championship was awarded to M Seed, Auchry with the pair of lambs shown with their sire, and reserve went to R Neill, Rossiebank with a pair of shearlings. In the crossing section, the championship was awarded to C Milne, Speymouth with three tup lambs, and the reserve ticket went to J Nisbet with a pair of gimmers.

The start of the sales was at Kelso, and the Champion crossing type was a tup lamb from the Dawyck flock which later sold for £1500. Champion traditional type was a shearling tup from M Drummond, Cassington which sold for £7000. Top price of the day was £12000 paid for J21 Midlock from the Wight Family. Trade was strong with buyers looking for powerful tups. The Leicesters had the top breed average from all of the breeds of sheep sold at Kelso.

Castle Douglas sale saw the champion K32 Midlock tup lamb sell for £1000, and the reserve champion, a shearling, from R McKie, Fininness

sold for £1800. Top price was J7 Finniness, a shearling which realised £3200. The auctioneer had to work hard for his bids, and shearling averages fell by £130 on the year for the same number sold.

I must congratulate Alan Wight & Sons, Midlock, who sold K20 Midlock, a tup lamb at Hawes for a new breed record of £37,000. This lamb was purchased by J Pirie, Blarnavaid and A Campbell, Drimsynie. I wish them well with their purchase.

I would like to finish my report in what has been one of the wettest summers / autumn by thanking the committee members and everyone else who has helped me throughout the year.

Best wishes to all the members and their families for 2018.

Kate Smith - Chairman

South West

I can't believe that it is that time of year again. The rams are in with the ewes and so the cycle continues.

It was one of the driest springs/early summers we have had on record, and then it all went wrong with the wettest summer for a very long time. Autumn looks to be shaping up the same way, with the rams huddling by the hedges when they should be out working!

We had a good day at the NSA Sheep South West event which was actually one of the hottest days of the year! Many thanks to those who brought sheep for the stand - Helen Havill for her traditional blues and Neil Cole for his crossing type.

The summer show season has been a successful time for the breed, and it has been encouraging to see many new faces on the showing scene ready to try their hand in white coats. Stock has been turned out well, making for a healthy competition.

The Association sale at Tavistock was also well attended, many thanks to our judge, Adam Garthwaite. We welcomed several new vendors this year who brought some good stock forward – a variety of stock meaning something for all buyers.

The club sale at Blackmoor Gate was particularly successful with many sheep on offer and some notable prices. Congratulations go to Bryan Dallyn with his shearling ram which was Champion on the day, with Barry Nicholls' shearling ram a worthy Reserve Champion. We have also had a strong demand for Mule ewe lambs in the South West this autumn. Trade was a pound or two up on the year, which was as expected considering the good fat lamb prices.

Wishing you all a Happy Christmas and a successful, healthy year in 2018.

Peter Heard - Chairman

Wales

The first event of the year for the region was a very wet Welsh Sheep which was held near Talybont on usk. The sheep on the stand were kindly supplied by Phil May and Richard Thomas, with one of Phil's hogs winning best wool on hoof at the event.

Next was the Royal Welsh Show where the classes were judged by Jack Lawson. Champion was won by myself with a ram lamb, with Michael James in reserve with a ewe lamb. That evening was our annual social which was once again well attended.

In August was the Welsh region's progeny show held at Welshpool Livestock Market. An excellent entry of blues were forward, with the individual champion and reserve won by Elfyn Owen, Cernyw.

In the progeny section, the Overall Champion was won by Tudor Harris, with three ram lambs shown with their sire, and reserve going to Elfyn Owen with a group of three yearling ewes.

A small entry of Mules were forward, with the overall champion going to W Jones with a yearling ewe, and reserve to a ewe lamb from Myrfyn Roberts, Myfyrian.

Builth Wells NSA ram sale was next, and Champion was a ram lamb from Michael and Nicky Gray, Espley which later went on to sell for the highest price on the show ground that day at £9500. Well done to them.

Other congratulations must go to Michael James for gaining crossing Champion at Carlisle sale and selling for £10000. Also congratulations must go to Myrfyn Roberts and family for topping the blue section at Carlisle at £5100.

So another year passes, with tups old and new now put out with ewes. We can all start looking forward to lambing and doing it all over again next year.
