Chairman's Message

Getting The Breeding Right

Jim German

My last two Chairman's messages began with comments about the weather, so why should this one be any different. It's been a seesaw of climates this year. Early lambers had a rough time, but after that things improved greatly. Who was it predicted a long droughty summer? We will certainly remember 2018. Some spoke of early grass shortages and fields resembling ripened corn or desert conditions. This was a bitter pill after many of us had been buying extra winter forage most of the winter at ridiculous money. Now the feed companies have, since August, been forced to increase prices by up to £50 / tonne over the past three months.

Association Autumn sales seemed to fly by. On the whole entries were fairly stable with increases in Ireland and the Carlisle sale. There were some good averages for the larger flocks, but general opinion was there were prices to suit many buyers. Sheep were well turned out for show and sales, and all members can be proud of their preparation skills.

Show season plus the progeny shows are most important in our promotion of the breed, and congratulations to everyone whether winners or not. Balmoral, The Royal Highland, The Royal Welsh and Great Yorkshire are major events and our show stand with Helen and her many helpers need thanks for the hours put in. It's not just about turning up on the day, volunteers are always welcome to help.

Any event, show or sale I've attended this summer has been a great experience. One highlight I must mention was being asked to judge the Bluefaced Leicester and Mule classes at Tullamore Show in Southern Ireland at the beginning of August. It's a massive one day show with excess of 60,000 people attending. You should pencil this show in your diary as a must see event, with huge livestock entries, there are no tents for the cattle lines but everyone has a gazebo. My judging started at 1.30 p.m and class by class I got the job done and hopefully pleased most people with my choices. Many thanks for the hospitality shown by members and especially Paul and Kieran.

Currently, early November, most will be counting the sheep tupped by now and hoping they've made the right mating choices with old and new. Genetics have been on the minds of several members this year. Myrfin Roberts attended an NSA meeting and workshop at Stoneleigh earlier in the year and I attended the second part a few weeks ago. Defra have £2.5 million worth of funding available for genetic work for UK breeds so it was important we attended.

Its old hat I suppose, but please try and attend your Regional Meetings, they are normally held October/November and again February before lambing time. These are your opportunities as members to contribute to your Association. All paid up members are welcome to attend.

Maybe by the time the Looking Ahead magazine hits your doorsteps Brexit will be sorted? Whatever the outcome, I'm sure it will be a discussion point at next year's NSA sheep events. The sheep industry is vital to us region by region, markets and rural economies are closely linked to its success and failures, so let's be optimistic saying that my glass will always look half full!

Finally, on behalf of myself and the membership, I sincerely thank Helen and Rachael for their brilliant work throughout the summer. Wishing you all a Merry Christmas and all the best for 2019. Hope all members have a successful lambing.

Royal Highland Interbreed
Pair & Reserve Pair

2019 Subscriptions / Members Details

The Annual Subscription for the Association remains at £25. This is normally collected by standing order on the first working day of the new year. If you have opted to pay your membership by cheque, please be aware reminders are not sent out. Southern Ireland members can pay their annual subscription fee by Euro cheque, unfortunately, paying by standing order is not an option for Southern Ireland members. Please be aware non paid up members are automatically excluded from our mailing list. If you would like to set up a standing order to make sure your payment is received on time, then please contact the office for an application form. If you move house and/or your contact details change, please notify the office as soon as you can, so that we can keep our database as up to date as possible.

Registration Forms

If you have not already returned your completed registration form to the office, then please do so by 31st December to make sure your pedigrees are in the flock book. If you have lost your original copy of your form and require another copy, then please contact the office. Members can also register lambs on line on the Grassroots database. To access the system, you will need your membership number (as a five digit number – using leading zero's where necessary), passcode and a valid e-mail address. If you have forgotten your Grassroots passcode, please contact the office and we will be happy to send you a reminder.

Office News Page

I have an office news page on the website, and this page will be a place where I will post relevant information for members, regarding National and regional events. If you would like any regional events advertised on the office news page, or any photographs from local shows and events please e-mail through the details to info@blueleicester.co.uk.

NSA Events 2018

The Association has been well represented around the British Isles again this year, with display stands at ScotSheep which this year was held in the picturesque setting of Ballantrae, South Ayrshire and at NSA Malvern. I would like to extend my sincere thanks to everyone who has helped with these one day specialist events again this year, providing

sheep for the stands and helping out with building of the stands. Your help is invaluable.

Shows 2018

The Association were in attendance with their display stands at The Balmoral Show, The Royal Highland Show, The Great Yorkshire Show and The Royal Welsh Show. All the shows provided excellent classes of Bluefaced Leicesters again this year. Many congratulations to all winners and champions, and to all exhibitors for turning out their sheep to such a high standard. Agri Expo was our final event of the year held at Borderway Mart, Carlisle, and thanks must go to all members who provided sheep for stands at these events this year. Thank you on behalf of the Association to all judges who took the time to attend these important shows and events in the Association's calendar.

Sales 2018

The female sales were held in January at Hawes, Carlisle and Ballymena. The Champion at a very wintery Hawes sale was a gimmer hogg from the Booth family, SMEARSETT selling at £5,000. They also attained the top price on the day for a gimmer shearling selling at £7,000. At the Carlisle sale, the judging was split again this year into crossing type and traditional. The Champion in the crossing type section was a gimmer hogg from W C Porter & Son, RIDDINGS, selling at 4,200 gns. Top price in the crossing type section was for a homebred gimmer from C & D Hall, FIRTH selling at 6,500 gns. In the traditional classes, the Champion was awarded to an aged ewe from D Williams of the ELIAN Flock, which also took the top price on the day selling for 1,000 gns. At the Ballymena sale, held in very wintery weather conditions the Champion and top price on the day was for a gimmer hogg from J Adams & Sons, HOLMVIEW flock which sold for a new Northern Ireland region female record of 3,000 gns.

The numbers entered at this year's ram sales were similar to numbers entered in 2017. Trade at some centres showed breed averages dipping slightly, while at other centres averages increased again on previous years. With some centres achieving good clearances, while other centres struggled this year.

Arthur Yates Trophy Winner
- Elfyn Owen

Top price for a crossing type shearling ram this year was brought out for sale from the Lord Family, HEWGILL at the Penrith sale selling at £16,500. Top price for a crossing type ram lamb was brought out for sale at Hawes from A & C Hunter, STEEL flock selling at £20,000. Top price for a traditional shearling ram this year was brought out for sale at the NSA Wales & Border ram sales from T R Harris, BONVILSTON selling for 12,000 gns. Top price for a traditional ram lamb was also brought out for sale at the NSA Wales & Border ram sales from the PIEL VIEW flock of S & C Thomason & Son selling for 5,000 gns.

Thank you on behalf of the Association to all our sponsors for their invaluable support at this year's sales. Also to the many judges who took the time to attend these important sales for the breed, and also to all Chief Stewards and Stewards for their time and help. I would like to thank all members who returned sale entry forms in good time for catalogue preparation again this year.

Replacement Tags

If you need to order replacement Bluefaced Leicester ear tags, this must be done through the Association office and not direct from the tag company. The following details are required: Bluefaced Leicester side of the tag details; UK flock number with individual number; your CPH number. If it is a bought in animal and not your own breeding we require proof of purchase – either by supply of the original tag you are replacing or an Auctioneers invoice (this will be returned to you once the order is placed). If all this information can be supplied at the time of ordering, then it will allow us to improve the service to you the members. There is normally a five day turn around on replacement tag orders from the date of order. There is no charge for supply of replacement Bluefaced Leicester tags for 2018.

Grassroots Online Database

Members have free access to the online database system – Grassroots, and this can be found through a link on the Association's website - www.blueleicester.co.uk. Access is through a unique passcode individual to each member, and once you have gained access to the site you can 'manage' your flock on line. The following tasks can be done

by members: lamb registrations, transfer sheep off your holding which have either been sold, or have died. The following tasks can not be done by members: animal details can not be amended. Any additional stock purchased can not be added to your flock. For any of these tasks to be done, you will need to contact the office with the details to be added/corrected, and the office will make the changes for you. If you have forgotten your Grassroots password, please contact the office and we will be happy to send you a reminder.

GDPR – Changes in Data Protection

Due to the changes in Data Protection which came in to force on the 25th May 2018, we now need members consent for the Bluefaced Leicester Sheep Breeders' Association to collect and process personal data in accordance with our privacy policy. A copy of which can be viewed on our website or a printed copy can be supplied on request from the office. If you have not yet completed and returned your consent form and would like another copy, please contact the office and we will send another form out to you for completion.

Export Register

If you would like to be included on the export register, please contact the office with your flock number, prefix and a valid e-mail address and you will be added to the register. This is when enquiries come in from abroad from people looking to import Bluefaced Leicester Genetics, and you will be notified of their request.

Performance Recording

There is an opportunity for members who Performance Record to claim back monies to assist with Performance Recording costs. If you are a Performance Recording member, and wish to make a claim, please send copy of your AHDB invoices for membership and scanning (this invoice must show the number of Bluefaced Leicester lambs scanned). The 50% refund will be arranged for you from the Association office, and the monies available are on a 'first come first served' basis.

MV Testing

There is an opportunity for members who MV test their flock of Bluefaced Leicesters to claim back monies to help towards the cost of testing. If you wish to make a claim, please send copy of your invoice from your vet clearly stating the number of Bluefaced Leicesters tested and the £2 per sheep refund will be arranged for you from the Association office. The monies available are on a 'first come first served' basis.

Gift Aid

This is of no additional cost to members, and provides a very useful financial input into the Association funds. If you have not already signed up to Gift Aid, or would like more information, then please contact the office for an application form.

After weeks of red hot temperatures and blue skies missing any clouds, the weather had to break sometime. No doubt the organisers of the Penrith Show wouldn't have minded if it had held on for a few more hours, after a deluge in the morning brought on reminders of last year's show, albeit the ground underfoot was good to firm, in race horse terms! Still the skies cleared just in time for the start of the judging and stayed clear for most of the time whilst judging was ongoing.

There was a legend in the making amongst the pens of sheep on show. There hasn't been a tup at the show made his presence felt quite so much as the aptly named "Jackpot" since the start of the progeny classes here at Penrith. Carry House Jackpot was purchased out of Hawes in 2016 for £14,000, selling to M/s Porter at Riddings and Martyn Archer retaining a share himself. He is a combination of some of the best bloodlines within the crossing world, sired by a son of Midlock Mustang and out of a ewe by the legendary Z4 Hundith which has set a benchmark for quality and consistency within the breed. Geoffrey and Val Porter, Riddings were the main beneficiaries of Jackpot's qualities on a near perfect day for the Riddings flock, where they took the Champion and Reserve Champion progeny in the crossing classes with their gimmer shearlings and gimmer lambs respectively, and then took the Reserve Mule progeny group with three gimmer lambs by Jackpot. Just ousting them out of the hotly contested Mule section was Martyn Archer with three cracking lambs sired by non-other than Jackpot again! Some result for the tup, who was still looking good and full of power.

The Riddings flock also took both Championship places in the crossing open show too, with a lovely gimmer shearling claiming the red blue and white ticket. This long, tall sheep is by the homebred "Thumper" which goes back to a tup they bought off Scarrowmanick some years back and its mother is by the E22 Domino. It is the first time out in the showing and she certainly looked the part, strutting her stuff, catching the eye of

judge, Richard Ellis. Their Reserve Champion was an aged ewe by C3 Midlock, "Badger" and out of the twin sister to Mr Cool, who has been the flock's best Mule getter over the past few years.

In the traditional section, the prizes were shared out more evenly, with no one flock having a monopoly of the tickets. The Champion in the progeny section went to Robin Peart on his debut at the show with three gimmer lambs by K3 Whinnyhall purchased at Carlisle last year with Jack Wilkinson, Bollihope. One of the lambs had already stood third at the Highland Show earlier this year before picking up second and third here at Penrith.

Taking the Reserve in this section was Michael Gray, Low Espley with three gimmer shearlings by the £4500 H1 Shrewbridge bought out of Builth as a shearling, which has gone on and done well in the flock. One of the trio was also the Reserve Champion in the open section, having already taken first at the Highland as a gimmer lamb last year and standing third at the Highland again this year in its class.

Top of the tree in the traditional section was a two shear tup from Scott Thomason. This powerful boy is the full brother to the Champion from the Welsh last week, bred at Kirkstead and by the Burndale tup which has done so well for them, out of a ewe bought at the Carry House dispersal as a lamb. He is an immense tup, full of presence and style, traits which caught the eye of the interbreed judge too, who awarded him the interbreed title too, the second in a row for the Walney Island based flock.

In the Mule section, the Championship was taken by Phillip and Denise Elliot with a gimmer shearling and in the lamb section the pairs, which saw over 30 pairs out to judge, quite a line up, and singles were won by Neil Marston, Millstone Moor.

Another super entry of Bluefaced Leicesters and Mules were presented at the annual Northern Ireland Region progeny show on behalf of the Bluefaced Leicester Sheep Breeders' Association. Clark Lamont had the difficult task of judging the event this year at the new venue of Limavady Show. Clark awarded Champion to his first prize gimmer, a very stylish modern sheep by H1 Cottage brought out by J Adams & Sons, Holmview flock. G & J Loughery, Tremain were awarded Reserve Champion with their 1st prize aged tup J7 Hamildean.

On to the progeny classes and J Adams & Sons, Holmview again came out on top taking Champion progeny group with J1 Carryhouse and his three quality gimmers. Michelle Wright, Mullaghwee is never far from the limelight at the progeny show and this year was awarded Reserve Champion group with her pair of lambs by J2 Dawyck.

On to the Mule section and this year G & J Loughery, Tremain were awarded Champion and Reserve Champion in the individual classes with their 1st and 2nd prize ewe lambs. The Mule progeny Champion group was awarded to G & J Loughery, Tremain for J7 Hamildean and his three Mule ewe lambs. Michelle Wright, Mullaghwee was awarded Reserve Champion Mule progeny group with K17 Drummuck and his three ewe lambs.

Billy Liken, aged 7 from Ringsend, Coleraine won the Bluefaced Leicester Young Handler this year. Many thanks to all exhibitors and to Clark Lamont who had a very long day judging from 9:30am to 2:30pm.

Dumfries Progeny

A glorious day in the South West of Scotland was the setting for the Scottish Bluefaced Leicester progeny show at Dumfries this year. Sheep from across Scotland were on show, with breeders old and new hoping to catch the eyes of the day's judges, Nicky Robinson in the traditional section and Iain Minto in the crossing ring.

The crossing ring saw Iain Minto wasting no time to get through his classes, with his Breed Champion coming out of the second class of the day, a tup shearling from Alec and Anders Brown, Macqueston. He was a worthy Champion in most people's eyes, tall, powerful and with the swagger of a true champion in the ring. He was purchased last autumn as a lamb out of Hawes from Carry House in a £12,000 trade with Allanfauld and John Park also investing in him too. He is the full brother to Jackpot who was leading the way at Penrith Progeny Show the previous week, by the G34 Midlock, and out of a ewe by Z4 Hundith bought off Neil Marston. He went on to take the Reserve in a very strong Interbreed championship too.

The Reserve Champion in the crossing section went to Stuart Park from the SP Dalpeddar flock, with a cocky gimmer lamb, sired by a £2200 J22 Old Hemley tup and out of a ewe by another Old Hemley. She was making her show ring debut, but showed herself off well enough to impress the judge.

In the progeny section, it was a clean sweep for Andrew McQuiston, New Luce, where he took both the Champion and Reserve group placings with lambs by a Blarnavaid tup bought off Jamie Pirie last autumn at Stirling for £5500, sharing it with Alan Shennan. He is by the Highberries Hotshot, bought out of Cockermouth for £13,000 by an Oak House tup and again he has that Z4 Hundith breeding on his mother's side. The Champion group were a pair of powerful tup lambs and Reserve were a

trio of gimmer lambs, one of whom had stood first at the Royal Highland Show earlier this summer. The Blarnavaid tups influence ran into the Mule section too, with the top four Mule gimmer lambs at the Royal Highland Show all by him and he went on to take the Mule progeny here, with three cracking gimmer lambs by him from Alan Shennan, proving that good bloodlines run deep and do the job.

The Mule show was won by Alec Brown, Macquinston with a lovely gimmer lamb. She was by a homebred tup lamb used last year, which was sired by, yet again, another Highberries tup. You just can't seem to get away from that breeding at the top of the show lines now!

In the traditional ring there were some very strong classes throughout and Nicky Robinson certainly had his work cut out picking out his winners. As normal though, the cream rises to the top and a one crop ewe from the Rossiebank flock of Robert Neill took the top honours. She was unbeaten on her outings as a gimmer shearling last year and this was her first of the season here, after raising a cracking tup lamb, which Robert isn't 100% sure whether to retain himself or to sell later this autumn. She is by the homebred G11 Rossiebank and on her mother's side she goes back to Hazelwood breeding. She was also part of the pair which took the progeny championship group on this side of the ring too, making it a double for Rossiebank on the day.

Young Fraser Kennedy, runs around 10 ewes near AE Water, Lockerbie, also celebrated a cracking double on his showing debut, taking the Reserve Championship with a lovely sharp gimmer shearling, by the 2500 gns Mosser Mains Jack the Lad, bought at Carlisle two years back. She is a triplet and one of her full sisters came into the equation in the progeny section and they took the Reserve Champion group placing in the section.

Tullamore Show 2018

Bluefaced Leicesters were certainly in big attendance at this year's Tullamore Show held on Sunday 12th August 2018. Tullamore is the largest one day show in Ireland with 60,000 visitors and 700 trade stands. Judge for the day was our Association Chairperson, James German, who was tasked with judging the Leicesters, Mules and two new progeny groups. It was an honour to have James present and his words of encouragement were very much appreciated. The club was delighted to see Clark Lamont and many breeders from Northern Ireland also in attendance. This was the club's third year of showing Bluefaced Leicester sheep in Tullamore and our breed has now the largest entry of any sheep breed participating there.

For the third year running, the Champion was exhibited by J Morahan, Woodview flock, a shearling ram bred from a homebred ewe and out of 4331 Glenshane J1. The sheep had loads of character and style with plenty of crossing blood as is a must for Woodview breeding. Reserve was exhibited by P Sammon, a two shear ewe purchased from the Termain flock run by G & J Loughrey and sired by 4373 H1 Starbog.

The Wales and South West Progeny Show for the Bluefaced Leicester Sheep Breeders' Association was held within Welshpool Livestock Auction by kind permission of Welshpool Livestock Sales. The Welsh Region members turned out another tremendous show of livestock at this year's progeny show. Given the unenviable task of judging this year's show, was respected breeder Alan McClymont from the Scottish Borders who runs the Kirkstead flock of Bluefaced Leicesters who has had a very successful year in the show ring this year.

In the individual classes, Alan awarded his Champion to his female Champion, an outstanding shearling gimmer shown by J McLeod, Wanstead. She was bought as a ewe lamb from Jacqui's neighbour Mick Jones, and is 4609/K016 Fairview. She is sired by the 3649/G002 Wanstead, and out of a Shrewbridge ewe 3114/F035 which is sired by the D4 Lowes Fell.

Taking the Reserve for the second year in a row was the reserve female champion, the eye catching homebred aged ewe from Elfyn Owen, 1070/G057 Cernyw 'Gloria'. She is sired by 4264/D003 Howlea, and out of a homebred ewe sired by 1070/Y001 Cernyw. She has also seen success again in the show ring this year taking the Overall female Championship at the Royal Welsh Show, following that she took the Overall Championship and Overall Interbreed Championship at Anglesey Show. Completing the female section Aled Jones, Craig yr Orsedd took the honours in the ewe lamb class with a sharp homebred lamb by the homebred tup 3363/J25 Craig Yr Orsedd and she is out of a homebred ewe.

The male Champion was awarded to an outstanding homebred shearling ram from T R Harris, Bonvilston 2906/K30, and is sired by 2864/G2 Cendy, and out of a homebred ewe sired by the Broomhills 7/B4. The reserve also came from the Bonvilston flock. This aged ram 2864/G2 was bred by Caleb Thomas, Cendy flock and is sired by the 3363/B4 Craig yr Orsedd. Tudor Harris also took the red rosette in the ram lamb class with an eye catching homebred lamb 2906/L001. He is sired by the T1 Cocklaw out of Shrewbridge 3114/A69 who is the mother of the homebred ram 2906/C1 which was sold for 4000 gns as a four year old

at the NSA Wales & Border Ram Sales at Builth Wells in 2013 to the Burndale flock, and he later went on to sire the Breed Champion in the traditional section at the Royal Highland Show in 2016 and repeating the success in 2018. In the recorded ram Lamb class Elfyn Owen, Cernyw took the first prize ticket with a homebred lamb sired by 1257/G5 Cassington.

In the progeny classes, Alan awarded his champion group to Aled Jones, Craig Yr Orsedd with his group of three ewe lambs. The lambs were sired by 4425/J1 Logie Durno which was bought by Aled for 4200 gns at the NSA Wales and Border Ram Sales, Builth Wells in 2017. He is by the G4 Street which was a 2200 gns purchase out of Carlisle and out of a ewe by E24 Myfyrian Blue Dragon. The Reserve was awarded to the three shearling ewes by the same sire from Elfyn Owen, Cernyw. The homebred shearling ewes were sired by the Performance Recorded 1257/G5 Cassington.

With only a small, but select show of Mules forward, Alan also took on the task of judging the Mule classes. He found his breed champion in the first prize ewe lamb (coloured type) from the Myfyrian flock of Myrfyn & Jayne Roberts. This strong ewe lamb is sired by a Carry House ram. Will Jones, Gwentthriw took the Reserve with a shearling ewe. In the progeny section, the champion group was awarded to Elfyn Owen's group of three Mule ewe lambs (Whitefaced type) shown with their sire 1257/G5 Cassington. In the young handlers section the Champion was awarded to Master William Jones, Blue Force flock.

News From Your Bluefaced Leicester Regions

North East

Once again, the season starts with the Great Yorkshire Show, and it didn't disappoint, with more entries seen this year than in more recent years without diluting the quality of stock on show. Geoff Porter of Riddings ably handling the task of judging the fine selection on offer this year. The Graham's of Stirling travelled down and the trip was well worth it. They won most of the classes and took the overall championship with an aged ewe.

The first registered sale of the year took place at Hexham and sale prices peaked at £900 for the overall champion, a shearling tup presented by Alan and Peter Forster, Lowes Fell. Trade throughout at this sale could be epitomised by describing buyers as 'very discerning and cautious choosing very selectively'.

The Hawes Bluefaced Leicester sale seemed to buck the trend of the many disappointing breed sales seen up and down the country this year. 755 sheep were brought forward for this sale. The Steel topped the market at £20,000, then Firth £16,000; Midlock £16,000; Carry House £11,000; Smearsett £11,000; and Hewgill £10,000 with Mr Shennan who judged the old tup classes also getting in on the act and making £10,000. This made the lamb average £1354 this year – an average down by over £200 this year despite the few 'high price tag' achievements listed here. Sellers seemed uplifted somewhat by the day's sale despite the background doom and gloom noises of the agriculture bill making its way through Parliament and the impending Brexit challenges to come.

Ram lambs were efficiently judged by Martyn Mawson who gave the championship to M James of Duhonw with 2nd prize to M/s Porter, Riddings; 3rd to M Allan, Greenhow and 4th to R D Archer & Son, Carry House.

Old tups and tup shearlings were judged by Alan Shennan who gave the 1st prize old tup to Ty-Gwyn which later realised £800. 1st tup shearling prize winner was from Otterburn lodge selling for £4,600. Gimmer shearling prize went to Marriforth which also took reserve female prize, and realised £1,600 and the Marriforth flock gimmer lamb won the female championship and overall reserve champion [not sold]. Riddings were 1st and 2nd placed in the ewe class and realised £650 and £1300 respectively.

Lastly, a big thank you to all the staff at Hexham and Hawes for their hard work on the day [which for Hawes this year did end just before midnight!]. A lot of hard work goes into these sale days and both buyers and sellers appreciate the professional and smooth flow of sheep selling throughout the day. **Laurence Allison - Chairman**

North West

The season started with our Progeny Show held at Penrith on the 28th July. Despite the wet weather, there was a good show of quality sheep and a good crowd of spectators. The crossing type Bluefaced Leicester Champion and Reserve Champion came from W C Porter & Son, Riddings, with a gimmer shearling and an aged ewe. The Champion

Progeny group, three gimmer shearlings and reserve, three ewe lambs, also came from W C Porter & Son. Quite a day for the Riddings flock! The traditional type Champion came from S & C Thomason & Son, Piel View, with an aged tup which also went on to win the Interbreed Championship. M & N Gray, Espley, took Reserve Champion with a gimmer shearling. The Champion Progeny Group went to R Peart, Mayland with three gimmer lambs, with the Reserve group going to M & N Gray, Espley, with three gimmer lambs.

In the Mule Progeny section, the Champion group was awarded to R D Archer & Son, Carry House, with three ewe lambs with their sire (Blackface type). Reserve group was awarded to W C Porter & Son, Riddings, with their group of three ewe lambs with sire (Swaledale type). Congratulations to all of the prize winners and a huge thank you to all exhibitors, judges, stewards, Helen and Rachael for making the show a successful and enjoyable day.

The first registered sale of the year was at Penrith Mart on the 11th October. The trade was pleasing, with averages for aged and shearling tups at £2,603, and tup lambs at £504. Top price and Champion came from M/s Lord, Hewgill with a shearling tup selling for £16,500.

Carlisle sale was held at H & H, Borderway Mart on 12th October with 1227 Bluefaced Leicesters on offer through three rings. The traditional type Overall Champion was awarded to Fraser Kennedy, AE Water, with an aged ewe - G4 AE Water. Reserve went to M & N Gray, Espley with the male Champion, a tup lamb, L3 Espley. The top price in the traditional classes came from Frank Johnson, with a tup lamb, L2 Ashes, selling for £3,900. 200 tup lambs averaged £445, 41 aged/shearling tups £485 and 63 females £374. The crossing type Overall Champion came from Amy Campbell, Glenrath, with a tup lamb L2 Glenrath, with the Reserve going to the female Champion from M/s Jones, Llanilltyd with their gimmer lamb, L26 Llanilltyd. Top price in the crossing type came from the Shafthill flock with a tup lamb, L12 Shafthill, making £9,000. 290 tup lambs averaged £843, 151 shearling tups £649 and 27 females £333.

Agri Expo was held at H & H, Borderway Mart, Carlisle on 2nd November. Our Bluefaced Leicester sheep stand was well attended all day with thanks going to Billy & Anne Little, Susan Hill, Helen and Rachael for all of their hard work setting the stand up and providing refreshments throughout a busy day.

I would like to wish everyone a Merry Christmas, a Happy New Year and Good Luck for 2019! **Scott Thomason - Chairman**

Northern Ireland

As I sit down to write my report for another successful year for the Northern Ireland Bluefaced Leicester Region, I start off with the show season and our Royal Show Balmoral in May. Fran Wilson was judge and awarded G & J Loughery Champion with their aged ram and William Adams Reserve with a gimmer. With the showing season well under way, July saw our progeny show which was held at Limavady Show with the judge being Clark Lamont. He awarded the Champion of the show to

a gimmer from William Adams and Reserve to G & J Loughery with an aged ram. The progeny Champion went to William Adams with his Carry House ram and three gimmers. Michelle Wright was awarded reserve with pair of lambs. G & J Loughery won the Mule progeny group with an Hamildean bred ram and three ewe lambs. This was a great show of Mules and credit to Clark for the difficult job.

September saw our premier ram sale and this year we opted to have it for sheep eligible for export. This resulted in another great sale with many sheep being exported to Southern Ireland. Champion went to a shearling from Lee Beacom and Reserve was awarded to William Adams

for a ram lamb which later sold for 7000 gns, top price on the day.

Armoey Sale was at the start of October, with yet a more steady trade and Champion being awarded to Alastair Christie's ram lamb.

The start of November saw our social night and prize giving held in Ballymena Rugby Club which proved a great success. Also we had the flock competition results which was judged on the days prior to the social evening by Eamon Harkin. This year's Champion overall flock was awarded to the Temain flock of G & J Loughery. I would like to thank all who entered the competition as a very high standard of sheep were presented for show. As you can see we have had a very successful year and I hope the success continues well into the future. As the dark nights are upon us, it just leaves me to wish everyone success with next year's lambing and to thank Helen and Rachael from the Association office for all their help. My job has been made easier knowing they are at the end of the phone. Also to my vice chairman Eoin Loughran, and I would like to thank him for all his help and advice in the past year which was greatly appreciated. **Hugh Henry - Chairman**

South Of Ireland

With the onset of the 2018 show season, the South of Ireland Bluefaced Leicester Club set about participating at a number of national and local events. The marketing focus of the group over the last number of years has seen a vast increase in the number of Bluefaced Leicester sheep used in Southern Ireland, with a resultant spin off in the growth of Mule groups in the country. Some of these sheep are sourced via the South of Ireland Club annual sale, with many others sourced in the Ballymena export sale in Northern Ireland. Indebted as always to our Association, we were again assisted not only financially, but also in the supply of judges, rosettes, trophies for show classes and stationery for distribution at events as well as the use of the promotional sheep stand from Northern Ireland. This required a commitment from members of both Northern Ireland and Southern Ireland Clubs in getting the stand down from and back up to Antrim where it is safely stored. The stand was used at Kilkenny and Athenry.

On the 9th June 2018 the club attended at Cillín Hill, the National RDS Sheep event in Kilkenny. This is set to replace the old Royal Dublin Show which had discontinued in recent years. It was one of the many warm days this summer and luckily all sheep breeds were on display indoors. This was solely a display day for the breed, which saw a large crowd of people attending our stand.

A month later, on the 7th July 2018, the club attended at the Teagasc "Farm to Fork" sheep event in Athenry, Co. Galway. This was a very informative sheep event with many important seminars taking place and a captivated audience of sheep farmers from all parts of the country descended on Athenry for the day. It was important for our breed to be present on the stand, and we had the added attraction of an impressive show of Bluefaced Leicester sheep and Mules which were ably judged by J Holden, Blaimount flock. Champion of the day was an excellent ewe lamb exhibited by J Scahill, Faughburren flock and was bred by Mullaghwee K001. John also assisted in transporting the stand safely back to Antrim for safe storage for another year. This duty was secondary to his judging work, but we were glad of John's assistance.

Moving on to the 22nd July 2018, the local show in Tourmakeady, Co. Mayo was held. This saw a large entry of Blues and Mules in the home of the famous Mayo Mule with some tremendous stock on display. The day saw a big crowd in attendance with a keen interest in the breed, and the standards they have reached there. A progeny group class with a Bluefaced Leicester ram alongside his Mule ewe lambs was held. On

Bluefaced Leicester Stand At Kilkenny

Overall Champion At Athenry

this inaugural progeny class there was positive feedback from spectators who indicated that it gave them a greater insight into the potential and ability of the Bluefaced Leicester. Progeny winner was T Staunton's Mask View flock.

Tullamore Show has become an annual outing for our group and was held on the 12th August this year. It is Ireland's largest one day show, with 60,000 visitors and 700 trade stands. We were delighted and privileged to have James German, Association Chairperson, attend and be our judge for the day. James was tasked with judging the Leicesters, Mules and two new progeny groups. It was an honour to have James present and his words of encouragement were very much appreciated. The club was delighted to see Clark Lamont and many breeders from Northern Ireland also in attendance. Bluefaced Leicester sheep have now attained the largest entry of any sheep breed participating at Tullamore. For the third year running the Champion was exhibited by J Morahan, Woodview Farm flock, with a shearling ram bred from a homebred ewe and out of 4331 Glenshane J1. This sheep had loads of character and style along with plenty of crossing blood as is a must for Woodview Farm breeding. Reserve was exhibited by P Sammon, a two shear ewe purchased from the Temain flock run by G & J Loughrey and sired by 4373 H1 Starbog. A progeny group with Bluefaced Leicester ram and three ram lambs as well as with three Mule ewe lambs was run for the first time by the club and again this proved a marvellous success with a large amount of spectators attending at the showing arena.

Outside of the shows named above, there were a number of smaller shows targeted by the club. In addition to this, the South of Ireland

Bluefaced Leicester Club facebook page is continually finding views as well as questions from interested parties.

Our club is small, but growing steadily, and it acknowledges the enormous support and advice offered by the Association, it's ever helpful and accommodating Secretary, Helen and its very loyal trustee Clark, whom is always available to give of his vast experience and knowledge.

Scotland

After the worst winter that I can remember, the year got off to a bright start at Scotsheep at Kings Arms, Ballantrae on the 30th May 2018. A stunning setting, with magnificent sea views to Ailsa Craig. There were many excellent displays of stock, and an informative tour highlighting very impressive grassland management. Many thanks to our members who provided quality sheep for the Association stand.

At the Royal Highland Show, the Bluefaced Leicester traditional Champion was an old tup from Kirkstead and the reserve champion, a gimmer from Cassington went on to win the Overall Interbreed Pairs award with an amazing double act resulting from the crossing type pair, both from Midlock taking the reserve interbreed pairs title.

At the 2018 Progeny Show at Dumfries, the crossing type Champion, a shearling from Macqueston went on to be awarded reserve interbreed. Champion traditional blue was a ewe from Rossiebank.

At the first of the sales, Kelso produced averages for blues that held up well at £940, the same as 2016, although slightly down on the previous year. Top price Bluefaced Leicester at £8,000 was from Obie Sharp at Newbigging Walls, and the top price in the traditional lines came from John Dykes, Mendick selling at £6,500.

The Hawes sale produced a top of £20,000 from the Steel and second top price was equalled by Scottish breeders Midlock and Firth both selling to a top of £16,000. Several other Scottish consignors also featured in the top lots of the day.

Numbers forward were down at the Castle Douglas sale, but trade was much better than expected with averages up by £110 and £115 for shearlings and lambs respectively. The top price of £2,500 was for a shearling from Culdoach. The Champion, a shearling from Finniness made £1,500 and the Reserve Champion, a tup lamb from Macqueston made £1,400.

Events in 2019

Scottish Region AGM - 5th February 2019 - Tinto Hotel.

Highland Sheep - 12th June 2019 - Sibmister Farm, Murkle, Thurso.

The farming unit of Sibmister and Stainland, is run by the Sutherland family. It is one of the best known sheep and beef enterprises in the North of Scotland. It is a long journey, but it will be a very worthwhile and informative day, and will give visitors a chance to see a different part of Scotland with stunning views and scenery. I would encourage as many members as possible to attend – a trip away after the lambing!

Royal Highland Show - 20th – 23rd June 2019.

Many thanks to everyone who have assisted at events, shows and sales throughout the year. Wishing you good luck with your flock and happy lambing in 2019.

South West

"I think 2018 will go down as one of the most challenging years for a very long time. A harsh, prolonged winter lead to a difficult lambing season due to the weather. Lambs were slow to start and waited a long time to have the sun on their backs. Winter bypassed spring and jumped straight into a hot, dry summer with light crops of silage and hay. It'll be lovely fodder, but sadly not enough of it. Fortunately, a kinder Autumn has allowed many of us to make up a bit for lost time, fingers crossed!

The Devon County Show was a welcome relief to the end of lambing and was well attended. The sheep all looked very well and Champion was awarded to R Montague (Ashdown) with H Havill (Martin Grange) taking the reserve spot.

Okehampton Show this year had much stronger classes than usual and it was nice to see new breeders joining the competition as the breed starts to grow more in popularity in the area. This year's Champion was P Heard (Yelland) with a ewe lamb. The Association also made a welcome return to the show this year with an impressive stand, complemented well by fine breed examples from R Montague (Ashdown) with his traditional Leicesters, with crossing type and Mule ewe lambs supplied by A Garthwaite (Hill End). Many thanks to both of you for your support and to Richard Ridout for doing a sterling job at manning the stand on what was a very busy day.

Our Bluefaced Leicester Association show and sale at Tavistock was well supported too, with a good variety of strong sheep on offer. Prices were back a little this year, reflecting the pattern across the country, as the farming community await with uncertainty, what delights Mother Nature will send our way next Spring!

Wishing you all a Merry Christmas and a prosperous, healthy 2019."

Peter Heard - Chairman

Wales

The first event of the year for the region was NSA Malvern which was held at the Three Counties Showground. The sheep on the stand were kindly supplied by J Armstrong of the Lays flock and D P May, Derwenlas flock.

Hot on the heels followed a very warm Royal Welsh Show. Classes were judged by Brian Dallyn from the Killington flock, Devon. The Overall Champion on the day was the male Champion, a shearling ram from T J & L S R Griffiths Y Bwthyn which is owned in partnership with C B & G G Morris, Lower Drostre. The Reserve Champion went to E Owen, Cernyw flock with his aged ewe. Further success followed for the breed with the Jones family from Robleston taking the Overall Championship in the Interbreed Group of Three. Congratulations to all exhibitors for a tremendous show of sheep. Our social night was very well attended.

Welshpool Livestock Market once again hosted our Annual Progeny show in August. The breed Champion on the day was a gimmer from J McLeod, Wanstead with the Reserve going to an aged ewe from E Owen, Cernyw. In the progeny section, the Overall Champion group was won by S A & R P Jones, Craig Yr Orsedd with his group of three ewe lambs with the Reserve going to E Owen, Cernyw with his group of three gimmers.

There was only a small entry of Mules forward, the Overall Champion was awarded to a ewe lamb (coloured) from M C Roberts, Myfyrion with M/s Jones & Tibbott being awarded the Reserve Champion rosette with a gimmer. In the Mule progeny section, the Champion group was awarded to E Owen with three Mule lambs (Whitefaced) with sire.

Builth Wells ram sale was our first regional sale. The Overall Champion was a ram lamb from Derek Henderson, Burndale. The top price on the day was 12,000 gns for the first prize shearling ram from Tudor Harris, Bonvilston Flock. Topping the ram lambs was Scott Thomason, Piel View Flock with 5,000 gns.

Next on the sale calendar was our sale at Ruthin which had a new sponsor - Meirion Davies & Co Ltd, Agricultural Merchants. With a small, but select show of sheep offered for sale, this sale attracted a good gathering of buyers with an 82% clearance. The Overall Champion went to a ram lamb from Huw W Thomas, Gro flock.

Welshpool was our final regional sale of the season kindly sponsored again this year by KLF Insurance Brokers. The Overall Champion came from D P May, Derwenlas flock with his aged ewe and the Reserve Overall Champion was a ewe lamb which also came from the same pen of D P May, Derwenlas flock. Top price on the day was 950 gns for a shearling ram from Phil Davies, Gornal flock.

I have thoroughly enjoyed attending the shows this year. I am very impressed with the quality and high standard of the sheep on show. It is the highest standard I have ever seen and it is a credit to the breed. I would like to wish you all the very best of wishes for Christmas and a successful 2019. **Ray Harding - Chairman**

South Of Ireland Bluefaced Leicester Club News ... Ballinrobe Sale 2018

Photos by Kevin Staunton

Above: Ram Lamb Prizewinners

Right: Champion & Reserve Champion from Faughburren and Mask View Both By Mullaghwee K1.

The 2018 Ballinrobe sale saw the club's biggest entry of sheep with 139 cataloged for sale. As with most of the sales this season, trade was somewhat subdued, however, shearing rams were up on the year with more sheep forward in this section. Buyers were looking for big powerful sheep and clean colour.

57 ram lambs sold to average 585 Euros - down 40 Euros on the previous year, with 25 less sold. 32 lambs went unsold. Sale Champion was a powerful, clean marked ram lamb from Joe Scahill's Faughburren flock. This lamb picked up many red tickets in the show season throughout the summer which included winning its class at the Tullamore Show. He was bred by the 5500 gns Mullaghwee bought in partnership with the Mask View flock at Ballymena in 2017 from Michelle Wright. Reserve Champion was a ram lamb from Tom Staunton's Mask View flock, again from the same bloodlines as the Champion. Champion and Reserve Champion were unsold. Top price lamb came from the Faughburren flock selling for 1460 Euros. Third prize ram lamb from new breeder Johnathan Wall sold at 1210 Euros, and this lamb was bred out of last year's Ballinrobe Champion ram lamb from the Woodview flock. Other top prices included 1100 Euros - Faughburren flock, 1010 Euros - Mask View Flock.

In the shearing section, trade was up on the year with many buyers preferring a mature ram. Twenty seven shearlings sold to average 740 Euros, up 100 Euros on 2017. Seven shearlings sold over 1000 Euros. First prize went to John Morahan's Woodview flock. This powerful sheep was bred by 4331 Glenshane J1 and sold for 1300 Euros. Top priced

shearling came from the Faughburren flock, bred by 4345 Woodview J1 and sold at 1400 Euros. Faughburren also received 1040 Euros and 1000 Euros. The second prize shearling came from the Mask View flock bred by 3678 Caoramor J2 and sold for 1100 Euros. Two shearlings from David and Allister Lyttle sold for 1120 Euros bred by Craig Yr Orsedd K10 and 1020 Euros bred by Holmview J2.

There was a small entry in the female section. Six females, all ewe lambs sold to average 300 Euros. First prize ewe lamb came from Paul Sammon's Firmount flock and sold for a top price of 330 Euros and was bred by Mullaghwee K18.

A big thanks from the club to Dominic McCrystal from the Drummuck flock who judged the pre-sale show. He did a fantastic job on the day, casting his experienced and sharp eye on the stock presented.
