#### **Reference to Sire:**

Gragareth 2726 J003 is a very consistent breeder, sadly not with us anymore. He bred sharp coloured mules with a good white, great skins and conformation.

#### **Reference to Service Sire:**

Riddings 752 L015 is sired by Highberries 3425 K001. A real star, he bred exceptionally well as a lamb both on Swale ewes and Leicesters. As a result of this he has tupped a lot of ewes over the last two years producing very good lambs. Service dates are given with each sheep, no returns were seen but he stayed with them until 01/12/20.
