FROM THE **Chairman**

Successful Sales and Zoom Meetings

As I sit down to write this report after several reminders from Helen, it is difficult to know where to begin! Covid 19 is still headline news and nothing much else seems newsworthy so I will just make the comment that I hope things are a lot better next year and that some common sense will prevail!

On a farming front lambing time weather was not too bad after a wet start and lambs seem to have thrived this year. Trade for fat lambs and breeding sheep has been significantly dearer than last year but they are just where they need to be as everything else seems to get more expensive! It was obviously very disappointing not to have any shows to promote stock and catch up with friends but hopefully next year things will be a little better.

Following on from the breeding sheep the tup sales duly arrived and trade seems to have been up at most if not all centres with good correct tups of both types making a premium.

A huge thanks must go to all of the auction companies for the effort and money they put in to ensure that the sales could go ahead in a safe and socially distant environment with live steaming and online bidding available.

I must also thank Helen and Rachael for their dedication keeping the office running through lockdown as well as working from home and Helen for keeping me right on Zoom meetings which by the way I'd never heard of!

I hope next year we will be able to have proper meetings and move on from this unprecedented time.

I hope that everyone bought the tup they wanted, it's the best one they have ever had and lambing time is good.

Wishing everyone a Merry Christmas and Happy New Year

President's Report

2019 has, for me, been a year of mixed emotions, surmounted by the invitation from the Welsh Region to take up the position of President of the Blue Faced Leicester Sheep Breeders' Association. This was an invitation that I accepted readily, and regarded it as the highest honour in my lifetime with the Leicesters, with winning the breed championship at the Royal Welsh Show in 1996 adding to that honour.

After the May AGM, with lambing safely over, there was a very full programme of regional events, shows and sales ahead. I pledged my support to the "team" at the head of our Association, and have done my utmost to carry this out.

My diary for the 2019 reads like a travelogue of train times and accommodation all over the country, from Okehampton in Devon to Thurso in the very north of Scotland being about as far north as a train will (or will not!) travel; the latter being only a bus ride away from John O' Groats, and YES, a bus did go there! I would add that on arrival I walked into a gift shop only to find that it is run by an ex-policeman and his wife from the very village where I now live!! The tales of these journeys and experiences are many and varied, some of them nearly exhausting even my sense of humour. The friendship, support and "taxi driving" during this time from many, many members has been amazing, and I thank you all for this.

A record of events has been clearly laid out in the regional reports for the past 18 months, which is where we are now, to which I have little to add. The sales figures for the two seasons are there for all to see and draw conclusions as to where the Association is heading, the most important factor being that QUALITY will sell. This lies in the hands of the vendors, who are in charge of the standard and good name of this Association.

I have seen the cream of the breed around the shows, particularly the Progeny Shows. Listening, learning and watching the progress of breeding programmes at these events has been an education in itself, including the "crossing" rings at the sales, and yes, Hawes. It would seem that we are never too old to learn!

It is known that the Lower Down flock has always bred "traditional" Leicesters. In 1977 we were looking for a suitable cross to put on to our Clun Forest sheep, possibly needing something to enhance the quality of that breed. I would add that Lower Down is 4 miles from Clun! A Clun breeder in north Herefordshire had worked this out, and in company with Joe Raine and Bill Wearmouth we visited her flock, which helped to make up our minds that this would suit us. Off we went to Carlisle, bought a tup and three shearling ewes, and so life began, although when the first ewe brought a black lamb I wondered what had happened, and blamed our neighbour's tup!! Undaunted, the following year we bought a further three shearlings, and the rest is, as they say, history. I was "given" this nucleus flock and thus began my passion for this breed with all its ups and downs.

I am pleased that some of the questions asked at previous AGMs have now been answered in part by the appointment of a Vice Chairman for the Breed Development committee and I know that Derek Hall, will work alongside current Chairman Myrfyn Roberts, and together they will bring forward more forcibly to the mule societies the necessity for a quality Blue Faced Leicester to enhance their work and that of our Association.

Another area to which the focus of my attention is drawn is the wool. Knitting wool shops are now stocking this as a pure wool, but from my walks around the showgrounds amongst the craft workers and outlets I have learned that there is huge demand for an expansion of the supply of our wool to mix with others in the production of garments, blankets and "throws". I had on my personal spring 2020 agenda, thwarted by Covid, a plan to visit mills with a view to discussing the weaving of a bolt of tweed solely from Bluefaced Leicester wool. This is now "on hold" for another day.

I cannot conclude without singling out the following, for which I am sure you will forgive me. James Porter has, in 2020, been awarded, by the NSA, the T.I. Allinson Memorial Award for Outstanding Contribution to the Sheep Industry in the North of England. This speaks for itself, and we all join in congratulation to James. It has been so good to see James during 2019, at Penrith Show in particular, enjoying his time on the Bluefaced stand.

Unknown to many, Matt and Elaine Drummond have been responsible, for the past 15 years, for the design and production of the "Looking Ahead" and Autumn Review magazines for the Association, for updating the website, and for the logo "The Vital Piece" which was designed to coincide with the 50th year of the Association. Through pressure of other commitments they are now handing this work over to a renewed source and I cannot stress our gratitude to them for the time and effort put in for all the work involved so that we are all kept informed of the work of our Association. Thank you very much on behalf of us all.

So... this pandemic rages on, and the outcome is still unknown. It amazes me that the farming community has not (yet!) been blamed for Covid 19. The "B" word is rearing its head again - another unknown, this time for the farming community in particular. I thank you all for the opportunities and fun I have enjoyed over the past 18 months, keep faith in what you all do best, above all keep safe, and continue to support the work of our Association.

Covid 19

Who would have thought when the champagne corks popped and the bells rang out of Big Ben on New year's eve that the world would grind to a halt only three months in to the year.

The Coronavirus Pandemic has had a devastating effect around the world affecting our lives in all sorts of different ways the likes of which most of us have never seen before (and hopefully we will never see again). A national lock down in March brought to the end any hopes of holding all our National, County and local Agricultural Shows and NSA Events for the year and as summer came and went we were lucky as an industry we still had the Autumn Sales to look forward to. At this point we must thank all the

Auction Companies for their help and guidance this Autumn to get the Ram Sales organised what with the cancellation of the Kelso Ram Sales and the NSA Builth Wells main sale in the format that we know them the sales schedule became a little more hectic than normal but with everyone pulling together and working towards one goal to get the sales on and keep everyone safe, vendors, buyers and market staff we achieved our goal and saw record averages at some of our sale centres.

Sales 2020

Females Sales

The female sales were held in January at Hawes, Carlisle, Ballymena and Stirling

First on the Calendar was the Carlisle Traditional Sale. The Overall champion was awarded to an aged ewe J051 from the noted Craig Yr Orsedd Flock of Aled and Rachel Jones, selling for 1500gns.

Later in the day it was the turn of the Northern Ireland Region with their Ballymena Sale the Overall Champion was for a gimmer hogg M047 from William Adams, Holmview selling at a top price on the day of 2000gns.

Next in the diary was the Hawes sale, the Overall Champion this year came from the Smearsett flock of W A & A Booth with their aged ewe J057 selling at £3000. Top price on the day was £4400 for a gimmer hogg from the Lord Family, Hewgill.

A few days later saw the 'Classy Lassies' sale for Crossing Type females at Carlisle. The overall champion came from The Wight Family, Midlock with a home bred gimmer L130 selling at 6500gns. Top price on the day was 9000gns for a gimmer hogg from The Hutchinson Family, Kirkby Redgate.

The last female sale of the winter took place at Stirling this saw young breeder Finlay Robertson, Beeches take the overall champion with a home bred ewe hogg. Top price on the day went to A MacGregor (Allanfauld) selling a ewe hogg with a new centre record of 4500gns.

Ram Sales

Due to the restrictions that we were working under due to the Covid 19 pandemic it meant that we were unable to hold any pre sale shows at this years Autumn Ram Sales and also taking in to account the safety of our Members, Inspectors and staff it was decided by the Trustees to not carry out pre sale inspections by our appointed association inspectors at any of the Sales.

With the exception of one or two sales entry numbers were down this year however with breeding sheep selling to a premium earlier in the season this gave a positive outlook on the sales this year with good clearances and at some centres record averages. At the Hawes sale 393 ram lambs were sold to an Average of £2206.00 (+ £766 on last year), and at the Northern Ireland Premier Sale 191 ram lambs were sold to an average of £1606.50.

Top Prices at the sales this year were:

Traditional Shearling Rams - £7000 from Martin Quinn, Whinnyhall selling his homebred ram M040 at the Hexham Ring 17 Sale.

Traditional Ram Lambs - 12,000gns from Martin Quinn, Whinnyhall selling his N001 lamb at the Michael Walton (NSA Builth Rings) at Welshpool Sale

Crossing Type Shearling Rams - £9200 from J Wight & Sons, Midlock selling homebred ram M038 at the Lanark Blues Sale.

Crossing Type Ram Lambs - Joint Top Price of £30,000 from Messrs Lord, Hewgill with their N001 lamb and from Messrs E Fairburn & Sons, Marriforth with their N024 lamb.

MANY THANKS TO EVERYONE WHO BROUGHT THEIR SHEEP OUT FOR THE ASSOCIATION SALES THIS YEAR SELLING UNDER THE RESTRICTIONS PLACED ON US ALL.

New Website & Re-Branding

In November last year Matt and Elaine Drummond decided to step down from working with the association including the production of the Looking Ahead and Autumn Review Magazines and the hosting and updating of the Association Website.

We would like to extend our sincere thanks to Matt & Elaine for their work over the past 15 years. The Publicity Committee and the Trustees then worked together to source a new business to help with a new re-brand of the Association and also to be responsible for the production of a new year book. Sarah Harvey from Sarah Harvey Design was the lady who has been given the role and in March this year a new logo designed by Sarah was revealed to the members. This was also to be carried through into the production

of a new year book which due to the pandemic has been put on hold for the time being. Sarah's logo and color scheme have been carried through in to the production of a new website with the Secretary working with the design team at Welland Creative to develop the new website. Thank you to Sarah and her team at Sarah Harvey design for their work this year, and to Alex and Richard and their team at Welland Creative for the new website.

North of England Mule

Cheviot Mule

Mule Group Progress

The group was formalised in May with the support of the five main mule societies (Welsh, North of England, Scotch, Cheviot and Highland) backed by the Bluefaced Leicester Association. Clearly the impact of Covid has made things difficult to communicate with the various memberships, however with representatives from each association attending zoom meetings we were able to push ahead.

The cancellation of all the agricultural events, meant that there was a vacuum of news for the farming press. This was an opportunity too good to miss for the group. This new story of cooperation was picked up by the farming press. We also initiated a Facebook page to publicise the success of commercial mules which gave us the opportunity to drive home the message that "mules make money".

The Group has made good strides in getting Mules back in front of the farming press, with features and

articles in nearly every farming paper. The main aim of the group was to highlight the benefits of Hybrid vigour, adaptability and profitability, that mules bring to the industry and ensure that these benefits were promoted consistently. Undoubtably this could not have been achieved without the support of the Bluefaced Leicester Association, both in terms of financial, but more importantly the secretarial help of Helen.

While there are things that we may have done differently, the fact of the matter is that people have

Scotch Mule

Welsh Mule

been reading about all types of mules regularly in the farming press and that has to be a good thing. As a group we have also challenged some of the current thinking in the sheep industry, particularly with the help of Donagh Berry, a geneticist from Southern Ireland. Donagh has highlighted that Bluefaced Leicesters are genetically different from nearly all other breeds, so they have the ability, to inject unrivalled hybrid vigour into the first cross. This impacts positively in mules and helps explain why they have such good maternal traits and performance, compared to other breeds and crosses. Whilst Hybrid vigour has been talked about for years, it has recently been less in the forefront of the industry, as the critical benefit of the stratification system. Donagh's work has given the Hybrid vigour argument a real boost.

Through the discussions of the group, they have also challenged the trend towards "ewe efficiency" which claims that this will lead to ewes rearing their own body weight of lamb in a period being deemed to be

efficient, when in reality it may just lead to smaller ewes and consequently smaller carcasses and lower income.

Melvin Ridley commented that "the mule group has given the Bluefaced Leicester Association a focal point to help channel support and publicity to help mule breeders which ultimately benefits Bluefaced Leicester Breeders and the wider upland community"

Clearly with sales of all types of Mules regularly hitting the headlines, it would appear, that Mules continue to be the sheep of choice for commercial farmers.

Going forward there are many challenges that we would like to address, we would welcome any feedback and suggestions that members may have, to further the success of the group.

The blustery weather conditions created a storming trade at the Ballymena Female Sale, the first of the new decade, which had a first-time live stream for telephone bids.

Jonathan Loughrey took on the role of judging resulting in William Adams Holmview flock collecting the Championship for his J1 Carryhouse sired ewe lamb which went on to sell for the nights top price of £2,000 to Alistair Christie, The Fields.

Graham and Julie Loughrey's Temain flock reduction attracted buyers from many parts selling to the South of Ireland and Scotland. Their top price, of £1800 was paid for the 1st prize aged ewe sired by G1 Cottage and carrying triplets to L6 Firth, to Colin Dick's Hamildean flock based near Peebles.

Next from Temain, this time a gimmer shearling with a K5 Hewgill and H1 Starbog combination, inlamb to the £7,000 L1 Holmview, sold for £1350 to Lee Elliot.

Next purchaser for one out of the Loughrey's pen was Gareth Tumelty from Downpatrick who bought a stylish G1 Cottage, D2 Firth gimmer carrying twins to L6 Firth for £1100, whilst Victoria Workman was the final bidder at £1,000 for the G1 Cottage, C1 Shafthill ewe, scanned with a single to the £7,000 L1 Holmview.

With a full clearance of all females presented on the night the demand for the breed was stronger than ever.

Carlisle Traditional Female Sale 13th January 2020

Once again there was a nice crowd attending the sale, the second Blue Belle Traditional female event with some cracking bloodlines from the cream of the crop

Top of the pile was a gimmer shearling from the Kirkstead flock, which really is in a great seam of form at the moment, with a cracking pen of sheep, attracting much attention. This sharp gimmer was by the K1 Middle Dukesfield out of a homebred ewe by the G1 Craig Yr Orsedd, carrying twins

Top Priced L49 Holmview from Kirkstead, sold for 1600gns

to the H16 Mendick, the breed Champion and Reserve Interbreed at the Royal Highland Show in 2017. It was bought by Messrs Brown, Muir House Farm, Biggar.

Kirkstead also had the top priced empty ewe lamb which was the first female to be sold out of the flocks noted show ewe, F22 Kirkstead, which has done exceptionally well in the ring and last year her four embryo brothers sold to average £4030 and a full sister also took first prize at last

years Highland show. This sharp hogg sold for 1400gns selling to Scott Thomason, Piel View. Its full sister took the first prize ewe lamb in the pre-sale show and just fell shy of its sister, fetching 1300gns, again joining the expanding flock at Muir House for Messrs Brown.

The champion of the day, judged by Nicky Robinson, came from breed stalwart, Aled Jones from the Craig Yr Orsedd flock, who lambs around 60 BFL ewes on the North Wales coast. This is the first time he has taken the top ticket at a Carlisle sale and he was as pleased as punch that his ewe achieved the breakthrough. She is no stranger to winning tickets, having won the progeny show at Welshpool a couple of years back as a ewe lamb. She comes from some great bloodlines too, by the homebred E25 which has bred

tups to 3000gns and its grandmother bred to 7000gns. She sold carrying a single to the 4200gns J1 Logie Durno. Looking forward to lambing her are the Ogden's from Pears Gill, Penrith, who forked out 1500gns for the privilege.

The very first sheep into ring was the Reserve Champion of the day, a gimmer shearling from the Burndale flock. This lovely gimmer was by the 3900gns H3 Lower Down, out of Burndale H22, the flocks Matriarch ewe, and one of the best breeding sheep on the farm. She is in lamb to the M1 Kirkstead, carrying twins. This one fetched 1000gns to set the trade for the day, selling to Burnhouse Mains.

Hawes Female Sale

18th January 2020

A cracking winters day saw a cracking trade for some very smart crossing type females on offer at the breeds heartland. A smaller entry didn't lessen the quality on offer.

Topping the days trade was a gimmer hogg from the Hewgill flock which took the 1st prize ticket in the ewe lamb class then moved onto take the Reserve Champion place too. She is out of B41 Hewgill, grandmother to the first three Hewgill tup lambs sold at Hawes last autumn which took the sale by storm. Again, by the F52 Hewgill, same as the tup lambs, this smart lamb sold for £4400 to Gary Beacom from Lakeview.

Supreme Champion from WA & A Booth, sold for £3,000

The days Championship was taken by a ewe out of D15 Smearsetts sister, by H3 Riddings from the Smearsett flock, carrying triplets to the legendary Ted, G11 Smearsett. This ewe with a great carcase and bloodlines certainly attracted attention of buyers, with J Allison & Sons, Sealhouses being the final bidders at £3,000 for this great sheep, which had bred a tup lamb which sold for £3400 at Hawes last year.

Top price was the 1st prize ewe lamb from Messrs Lord

“There was a cracking trade for some very smart crossing types”

The Smearsett flock also took first prize in the gimmer shearling class, sired by “Ted” out of a Z4 Hundith Daughter, she scanned a single to L11 Chelker. They are using 2 full brothers in the Smearsett flock as they think so much of these bloodlines and it took a bid of £2400 from Chris Pears, Wigton, to land her.

The Midlock consignment, as always, was much admired, with the leading gimmer a daughter of the noted Midlock Mustang carrying a single to the homebred L27 Midlock, the Highland Champion from last year. This modern type was bought for £2200, selling to T Duffy, Omagh.

Carlisle Crossing Female Sale 20th January 2020

A great turnout and a packed ring saw a good trade for the top end sheep at the 2nd Classy Lassies sale of the crossing type of Bluefaced Leicester's at Carlisle, with buyers out in force from all corners of the UK.

Topping the days trade was the 3rd prize ewe hogg from Richard Hutchinson from the Kirkby Redgate flock. This tall, powerful sheep is by a homebred tup, by the £14,000 Skeughdale, which they have used in the flock and has done well with 3 gimmer lambs in their champion pen at Kirkby

Sale Topper from Kirkby Redgate, sold for 9000gns to W Bell, N. Ireland

“With such good bloodlines flowing through her she was always something a bit special”

Stephen by him last autumn. Its mother is the full sister to his 2017 champion he sold for 6500gns which was out of a Hewgill ewe they bought for £5000. With such good bloodlines flowing through her she was always something a bit special and after some strong bidding the hammer fell at 9000gns selling to W Bell, Ballynahinch, Co Down. Kirkby Redgate also took 2nd prize in the ewe hogg section, which followed into the ring and was knocked down for 4000gns, again selling across the water to Lee Beacom, Lakeview Farm. This one was by the £18,000 Shafthill.

Hewgill females are always in good demand and the selection they brought forward for this sale were no different. Once again it was an embryo sister to the first three tup lambs they sold at Hawes last autumn and also to the sale leader at Hawes female sale. Neil Laing, Biggar, was the final bidder with the hammer falling at 8500gns. The following Hewgill lamb was another full sister and this one saw the bidding surge, with a final bid of 4500gns, selling to the Campbells of Easter Happrew, Peebles.

It was a first for Midlock as they took the days Championship, judged by Phillip Dawson of the Kentmere flock, with a gimmer shearling, full of style and power as well as some of the best bloodlines available. She is by the K1 Shafthill and out of the H102 Midlock ewe which was the Champion at the Highland show in 2016 and full sister to the Reserve Champion at the Highland last year. She sold carrying triplets to L1 Hundith, a son of the 18,000gns Shafthill, full of Midlock bloodlines, both Mustang and Z4 Hundith. She was the first of the Midlock consignment of 18 gimmers and fetched 6500gns, selling to Messrs McCrystal, Maghera.

M/s Lord, M80 Hewgill sold for 8500gns to Neil Laing

This set the tone for the Midlock gimmers, the next sold for 5500gns for a daughter of K4 Marriforth carrying a single to L60 Midlock. This sold to P Mullen, also Maghera. A daughter of K1 Highberries reached 4500gns, carrying triplets to M2 Asby Hall. This sold to S Wilson, Ballymena. This gimmer is full sister to L27 Midlock, the champion at the Highland last year. The Midlock pen levelled out at £2667 for 15 sheep.

Top priced aged ewe came from the Highberries flock with J38 Highberries, the full sister to J3 Highberries sold to the Oakhouse flock and its mother, a Smearsett ewe is full sister to G1 Smearsett used successfully by Asby Hall, Riddings and Hundith. She sold carrying twins to M4 Highberries, a homebred son of G11 Smearsett "Ted". This was bought by Henry Ridley, Wood Hall for 3000gns.

BLUES & MULES

FACEBOOK PAGE

For those that follow Facebook, you're bound to have come across the Blues and Mules Page. During the lockdown months of 2020 with no shows, this page has provided a platform for breeders to stay connected, share lambing experiences; the 'I would've won' moments with photos, and general banter that makes the sheep world a small world. The face behind the scenes who has been instrumental in organising the Page along with the virtual shows for Blues and all types of Mules this summer, is Tom Jones...

You and your father run the Llanilltyd flock of Leicester's - which year was this established and where did you source your foundation females from? We do, however don't forget the boss - Mum! Mum and Dad started the flock in 1983 when they purchased 3 ewes off Mr Peart Woodcroft on the recommendation of Mr Robin Archer. They started off breeding traditional's but in the 90's we moved across to the crossers and started the flock again by buying ewes mainly off Brian Davies Ty-Gwyn, with a couple off Hollins Farm & Riddings.

Which are the most influential sires used within your flock? We purchased P18 Castle Bolton in 2000 - he really put us on the right track with the mules. Not only a fantastic mule breeder but we made great friends with Raymond Hunter and his family, Dad has spoken to Raymond every couple of weeks ever since! F4 Low Tiplat was great tup for us, his breeding has produced the three top prices for the flock.

Can you tell me about two highlights which you and your flock have achieved, and why they've been so memorable? Last year was one to remember, after Mum being unwell during the year we managed to have champion & reserve champion at the Builth Wells Crossing sale and then female champion at Carlisle. I suppose you always remember your top price selling H2 for £3200 in Carlisle was a great moment.

Tell me about your family... I live with two bossy little blondes! My partner Sinead is a Primary School teacher and our little girl Elsie is 4. Yet to be seen if she catches the Leicester bug... I hope not, it could be expensive!

The Blues and Mules page on Facebook has been a great form of promotion, connectivity, and fun, created during the Covid-19 pandemic, where did the idea spring up from? I used to really enjoy the old Mulebook page and people I spoke to also missed looking on there. Most people are on Facebook but not everyone knows one another so I thought I'd create a page where everyone could connect more. It's a fantastic way for people to get to know each other, a great way of advertising your stock and it's been some fun with the shows over the summer.

Outwith your farm and work with the Estate Agents, what are your hobbies and pastimes? Being a Harper Adams graduate my pastimes would be rugby and socialising! My hobby really is Leicester and mule breeding, I give the database a fair hammering looking up bloodlines!

Name three Leicester tup idols and why those three? J2 Carry House Jackpot, G11 Smearsett Ted & H5 Gragareth. Three fantastic mule getters, full of the best mule blood!

Name three Leicester breed idols and why those three? Richard Hargreaves, Martyn Archer and Robin Booth. All at the top of the breed and have been for years, always very nice to deal with and I find very genuine.

Which sale do you look forward to most each year, whether mule or Leicester sales, and why? The Builth Mule sale is one that I can't wait for each year, seeing everyone's lambs and how tups have done is great but if I could only go to one sale a year it would be Hawes tup sale! The biggest and best sale in the country! It's a very special day.

What's your favourite place to eat out at? Up the farm with Mum & Dad!

Favourite tippie? I'm a tea drinker! A night out starts with lager and finishes with spiced rum & coke.

What did you buy your wife for Christmas last year, and have you any ideas for this year? We are very romantic, we both give each other £250 and go to Cardiff to buy what we want! This year I'm planning something special... maybe a Booth ewe in lamb to Ted? Not sure how she'll feel about it!

What's next for the Blues and Mules page? Any new ideas in the making? I am hoping in January to see lots of sale sheep for the female sales and then lambing time it will surely be busy! If anyone has any videos of old sales, I would like to upload them to the page for people to enjoy watching over the winter months, so please send them my way if you have any!
