Conditions of Sale

1. The sale will be conducted according to the rules of the Bluefaced Leicester Sheep Breeders Association.
2. All Ewes must be guaranteed in lamb by the vendor at the date of sale. If any female sheep, which was described in the catalogue or at the time of sale as being in lamb, proves not to have been in lamb at the time of sale within 21 days after the day of sale the purchaser gives written notice to the auctioneers of his intention to return the animal, supported by a veterinary surgeon's certificate that such sheep has proved not to have been in lamb, then the purchaser may return such sheep to the vendor.
3. All sheep will be sold in guineas and a commission of 5.25% will be charged by the Auctioneers on all sales.
4. An upset price of 150 guineas will stand on all sheep.
5. All sheep to be sold singly and in catalogue order.
6. All sheep will be identified with tags hung around their necks.
7. All sheep must be penned before the start of the sale otherwise they will not be sold.
8. Normal inspection procedures will apply and will commence from 8am onwards. The inspectors decision is final.
9. Black wool must be declared by the vendor at the time of sale but inspectors still have the right to reject sheep for black wool so extensive as to seem not true to breed type. If black wool is not declared and found by the purchaser before it leaves the market, the sheep can be returned on that day.
10. No shaving or clipping in front of the eyes will be permitted and sheep will be removed from the mart.
11. a) Any complaint for cudspilling must be lodged with the Auctioneers before the sheep is removed from the sale premises.
b) The return of a Sheep for cudspilling shall be a matter to be resolved between purchaser and vendor.

Whinnyhall R8 – purchased for £2000 at Carlisle where he stood Reserve Champion. A son of the prolific 12,000gns Bonvilston Tudor, as good a lamb as I've ever bought, full of style and tremendously correct.

Wanstead R5 – a son of Elian Y8, better known as Nigel, that has been retained for breeding, Nigel himself won Male Champion at the 2009 progeny show and was the best breeding ram ever used in the flock. R5's dam was my pick of the ewe lambs from the tremendous Rossiebank dispersal.

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.

All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
