If any female sheep, which was described in the catalogue or at the time of sale as being in lamb, proves not to have been in lamb at the time of sale within 21 days after the day of sale the purchaser gives written notice to the auctioneers of his intention to return the animal, supported by a veterinary surgeon's certificate that such sheep has proved not to have been in lamb, then the purchaser may return such sheep to the vendor.

DISPERSAL SALE OF THE ADULT PORTION OF HIGH CRAIG FLOCK

D.L. MacNiven

(High Craigs)

My 4 score plus years has led to the decision to disperse the flock. Prior to the tsunami of crossers, we had a degree of dominance locally, with many Champions including several interbreeds. The aim was always to breed correct and commercially viable shearlings, mostly sold from home (latterly mainly for the Cheviot market.) We wish all purchasers, as much pleasure (& a bit of profit) as we have enjoyed over the years.

From the same family as Lot 63.

Reference to Service Sires:

Wanstead S2 – The best son of Whinnyhall R8, bought out of Carlisle as a lamb for £2000 when he was Reserve Champion. S2's dam is an embryo daughter of the flock's GYS Champion, her full sister bred sons up to 2000gns and she herself has bred two sons who have gone for pedigree use. S2 has been used heavily in the flock this year. I am very excited to see his lambs in the spring.

Shrewbridge P6 – bought privately as a lamb. He is a son of Plas-y-Ward W3, a Builth Champion from yesteryear who was a phenomenal breeder of show conquering females as well as siring sons to £3200. P6's dam Shrewbridge L15 was 1st prize gimmer at the Welshpool progeny show herself. P6 has grown into a massive ram with a tremendous skin, eye, mouth and he has bred very correct, flashy lambs off both pedigree and Cheviot ewes.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
