Conditions of Sale

ARRIVAL OF STOCK

Friday 3rd January

3pm – 6pm

Saturday 4th January

7am – 8am

1. The sale will be conducted according to the rules of the Bluefaced Leicester Sheep Breeders Association.
2. All Ewes must be guaranteed in lamb by the vendor at the date of sale. If any female sheep, which was described in the catalogue or at the time of sale as being in lamb, proves not to have been in lamb at the time of sale within 21 days after the day of sale the purchaser gives written notice to the auctioneers of his intention to return the animal, supported by a veterinary surgeon's certificate that such sheep has proved not to have been in lamb, then the purchaser may return such sheep to the vendor.
3. All sheep will be sold in guineas and a commission of 5.25% will be charged by the Auctioneers on all sales.
4. An upset price of 150 guineas will stand on all sheep.
5. All sheep to be sold singly and in catalogue order.
6. All sheep will be identified with tags hung around their necks.
7. All sheep must be penned before the start of the sale otherwise they will not be sold.
8. Normal inspection procedures will apply and will commence from 8am onwards. The inspectors decision is final.
9. Black wool must be declared by the vendor at the time of sale but inspectors still have the right to reject sheep for black wool so extensive as to seem not true to breed type. If black wool is not declared and found by the purchaser before it leaves the market, the sheep can be returned on that day.
10. No shaving or clipping in front of the eyes will be permitted and sheep will be removed from the mart.
11. a) Any complaint for cudspilling must be lodged with the Auctioneers before the sheep is removed from the sale premises.
b) The return of a Sheep for cudspilling shall be a matter to be resolved between purchaser and vendor.
12. Whilst all sheep are inspected by Association Officers purchasers must satisfy themselves as to the correctness of any animal which will be their responsibility on the fall of the hammer.
13. The Pedigree and descriptions of the lots are believed to be correct, but not intended as warranty, and therefore shall be taken with all faults and errors of description.
14. All sheep are sold as correct in mouth and udder unless otherwise stated.
15. Any disputes will be a matter to be resolved between purchaser and vendor.
16. A claim must not exceed the purchase price of the sheep.
17. Entry Fees are Non Returnable.
18. Vendors are responsible for taking the sheep to the Sale Ring and returning them back to the pens after being offered for sale.

No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense.
