## Conditions of Sale

### ARRIVAL OF STOCK

Friday 2nd January

3pm – 6pm

Saturday 3rd January

7am – 8am

1. The sale will be conducted according to the rules of the Bluefaced Leicester Sheep Breeders Association.
2. All Ewes must be guaranteed in lamb by the vendor at the date of sale. If any female sheep, which was described in the catalogue or at the time of sale as being in lamb, proves not to have been in lamb at the time of sale within 21 days after the day of sale the purchaser gives written notice to the auctioneers of his intention to return the animal, supported by a veterinary surgeon's certificate that such sheep has proved not to have been in lamb, then the purchaser may return such sheep to the vendor.
3. All sheep will be sold in guineas and a commission of 5.5% will be charged by the Auctioneers on all sales.
4. An upset price of 150 guineas will stand on all sheep.
5. All sheep to be sold singly and in catalogue order.
6. All sheep will be identified with tags hung around their necks.
7. All sheep must be penned before the start of the sale otherwise they will not be sold.
8. Normal inspection procedures will apply and will commence from 8am onwards. The inspectors decision is final.
9. Black wool must be declared by the vendor at the time of sale but inspectors still have the right to reject sheep for black wool so extensive as to seem not true to breed type. If black wool is not declared and found by the purchaser before it leaves the market, the sheep can be returned on that day.
10. No shaving or clipping in front of the eyes will be permitted and sheep will be removed from the mart.
11. a) Any complaint for cudspilling must be lodged with the Auctioneers before the sheep is removed from the sale premises.  
b) The return of a Sheep for cudspilling shall be a matter to be resolved between purchaser and vendor.
12. Whilst all sheep are inspected by Association Officers purchasers must satisfy themselves as to the correctness of any animal which will be their responsibility on the fall of the hammer.
13. The Pedigree and descriptions of the lots are believed to be correct, but not intended as warranty, and therefore shall be taken with all faults and errors of description.
14. All sheep are sold as correct in mouth and udder unless otherwise stated.
15. Any disputes will be a matter to be resolved between purchaser and vendor.
16. A claim must not exceed the purchase price of the sheep.
17. Entry Fees are Non Returnable.
18. Vendors are responsible for taking the sheep to the Sale Ring and returning them back to the pens after being offered for sale.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

**AUCTIONEER'S TERMS & CONDITIONS OF SALE**

(Incorporating the Auctioneer's  
Terms and Conditions )

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
