Enclosed are the Official Sales Entry Forms for the Association Sales.

ONLY FULLY PAID-UP MEMBERS ARE ELIGIBLE TO SELL AT ASSOCIATION SALES

All Sale Entry Forms must be returned to the Association Office by the stated Closing Dates.

If an entry fee is required these must be paid at the time of entry – if payment is not made your entry could be returned. No Late entries will be accepted. All Catalogues are prepared by the Association Office.

N.B. CHANGE TO ROYAL MAIL POSTAL DELIVERIES FOR BUSINESSES – TO BE PHASED IN OVER THE NEXT 6 MONTHS ALL 2ND CLASS LETTERS POSTED TO THE ASSOCIATION OFFICE WILL ONLY BE DELIVERED EVERY OTHER WORKING DAY.

All Classes of entries can use the same type of form, but it is important to use only **ONE FORM PER CLASS OF SHEEP** – this will ensure your entries go in the correct section of the Sales Catalogue.

Please ensure you list your sheep in sale order and if you are using additional entry forms please number them in order.

If you are short of entry forms, more can be downloaded from the website or can be requested from the Office. Anyone wishing confirmation that sales entries have been received should send a stamped addressed envelope for acknowledgement or contact the Association Office. Entry forms may be scanned and sent by e-mail or WhatsApp, these entries will be acknowledged by return email or WhatsApp message

All lambs entered for the Association Sales must now be fully registered on to the Grassroots Database system prior to sale, so you must complete the entry form in full including UK Tag Information, Sire and Dam. For Shearlings and Older Sheep entry can be accepted with the Registration Number only, as long as the breeding history is complete on the database.

If you wish to sell Females there is an entry fee of £6.00 (inc. VAT) which is payable on all female entries at all Association Sales, if payment is not received at the time of entry, then your entry will be refused and returned. There is no entry fee for females in dispersal sales. There is no entry fee for rams.

Commission: There will be no Association Levy taken from Members Selling at Association Sales in 2026.

Catalogues: These will be sent out automatically to Vendors by the Auctioneers. The office will **not** hold a supply of Association catalogues and requests for catalogues should go to the relevant Auctioneers. Telephone Numbers are provided for this purpose.

Animal Husbandry / Health Status: To assist buyers again this year we are going to continue to include in Association Catalogues details of Animal Husbandry - these will be displayed under a letter coding system which will be displayed in the back of the sale catalogues - this information is supplied on a voluntary basis by the vendor. **If members wish to add any additional Comments regarding the Health Status of their Flock, or any information regarding MV status please add this on to your sale entry form.**

Substitutes:

One sheep per vendor per ten sheep or part thereof per section entered may be substituted.

Sheep not presented when entered for an Association Sale may be used as a substitute at another Association sale.

A pro-forma will be available on the day or can be downloaded from the website prior to the sale, which must be completed by the vendor and displayed on the relevant pen. Substitutes will be identified with a blue disc on a string hung around their neck – these will be supplied by the Association office. The Auctioneer and Chief Steward must be informed.

If you are substituting a ram or ewe lamb these too must be registered on the Grassroots Database prior to Sale time so please ensure your list of substitute lambs are registered.

Inspections:

The structure for inspections will remain the same as in 2025 and Inspections will take place at all Association Sales this year. The structure is to have one inspector in each pen working side by side with a third inspector outside the pens and if there is a sheep to be marked then the third inspector will be called in to the pen, if the inspector has a sheep he has a concern with then the third inspector will have the final say to determine if the sheep is to be red spotted or not. This structure will be used at Sales at Kelso, Ballymena, NSA Bult Wells, Hawes and Carlisle. At the remaining sales only one or two inspectors will be present (depending on numbers)

Any sheep, which are inspected and subsequently rejected, must be removed immediately from the Mart.

There is no appeal procedure.

Due to Health and Safety Guidelines, the Association has banned the use of dips and water sprays at the Auction Premises.

General Information which applies to ALL Sales

Please pay particular note to the General Information and Conditions of Entry as these will be strictly adhered to.

1. **USE ONE ENTRY FORM PER CLASS.** The entry form must be returned by the closing date shown and no responsibility will be accepted by the Secretary for Entry Forms not received in the mail (proof of postage does not mean your entry has received its destination). If confirmation of acceptance is required, please enclose a S.A.E. **NO LATE ENTRIES CAN BE ACCEPTED.**
All lambs entered for the Association Sales must be fully registered on to the Grassroots Database system prior to sale so you must complete the entry form in full including UK Tag Information, Sire and Dam information. 3. A proportionate number of sheep from 2025 will be taken from the beginning and the end of the entries forward in that year and placed in the middle of each section in 2026 (approx. 1 vendor per 100 sheep) e.g. 500 sheep entered in 2025 = first five and last five vendors forward placed in the middle in 2026.
4. An entry fee of £6.00 (inc. Vat) is payable on all female entries at **ALL SALES**. If this is not included with the entry form, entries will be returned and the closing date may be missed. There is no entry fee for rams.
5. There is no entry fee for females in Dispersal Sales. Ewe lambs in a dispersal sale will be subject to normal inspection procedures. All dispersals will be sold at the beginning of the females.

All sheep forward for pre-sale show classes will be inspected by the Association Inspectors prior to entering the Judging ring and must be identified by their catalogued lot number either hung on a string around the sheep's neck or marked on the sheep's face.
13. Sheep which are rejected, will be deregistered, will have the Association Logo cut from the tag, head marked and must be removed immediately from the Auction Mart.
